Dear sir:

We thank you very much for your reception report dated July 23, 1970.- You've heard one of our evening program on frequency of 7295 KHz 41.12 Meters, which one actually our local broadcasting. ( 1 KW power).-

We have another broadcasting, operating in 5995 KHz in 50.08 Meters 10 KW half power. We will be glad to hear about this one from you. By the way, you're the only one DX'ers who send us reception report about our 41.12 Meters. It's assist us in the improvement of our transmission.

You see, we have no QSL Card, so we hope this letter will be necessary to you.

Hope to hear again from you soon.-

Your's
