

Index to

ANDEX International

compiled by Jerry Berg

*This index covers the radio-related and Ecuador-related content of all issues of ANDEX International, the ANDEX newsletter published by HCJB from January 1974 to May-June 1996. Some issues were misnumbered, or unnumbered, in the originals. These are marked with a single asterisk and the correct numbers shown. Entries indexed in more than one place are double asterisked. Especially noteworthy items about DXing and radio history are in **bold**. ANDEX was not issued in April-May 1988 and December 1990.*

ANDEX content is indexed under the following headings. This PDF file can also be searched for particular words or phrases.
