IMPORTANT NOTICE HQs anncs that Kent C. Corson, 2269 Graham Circle, Dubuque, IA 52001, will take over as Log Report Editor for Section B with the coming September issue. All material intended for LR-B should be mailed to Kent at his above Iowa QTH, after July 15. (M. R. Leonhardt, Executive Editor NASWA)

FLASHES SAO TOME E PRINCIPE Emissor Regional QSLed my report, same received by me on 6/26/75, for 5338, with full data card with jungle pix, though V/S is illegible; handwritten note says, "Our next fgy on shortwaves will be 4807 khz". (Charles Wootten)... Just in, printed QSL card, jungle scene, from Emissor Regional de Sao Tome, for 5338. V/S semi-legible, but last name looks like Rei. Mentioned in EE that next fgy to be used on shortwave will be 4807. (Ralph Perry, Ill., via NU)...(Sigh, me, I don't have a QSL from Sao Tome, for my report, Editor)...Cape Verdes will celebrate Independence on July 5, as will Sao Tome on July 12. (NZDX Times) * see bottom of page.

ALBANIA 9757 R. Tirana turned out to be the weak EE talker here, 0005, noted 6/18. (Glenn Hauser)
ANTARCTICA AFAN, McMurdo, which was heard on 7050 in late April, seems to have / Hauser) returned to former 6012. (NZDX Times)

AUSTRALIA 15290 RA, 0400, African Svc, EE news, fair signals on 7/6. (Bob Zilmer)

AUSTRIA The Austrian Army Station on 6255, Der Schullungssender des Osterreichischen Bundeswehres, Gussriegelstr. 45, A-1002, Vienna, is on the air Mon-Fri 1000-1400; and, 1530-1900. (SWCDXERS)

BRAZIL (See previous FS) The Brazilian noted by you (AL Niblack) and Editor Bob Hill on 4985.5, is heard almost nightly from 0300 fade-in; I have heard several IDs for, "Radio Brasil Central", though modulation is often low. (Tom Alleman)...4985A This one is Radio Brasil Central in a move from 4995, noted with PP ID at 0200, upon rechecks, now that QRN lvl is down, is not Voz de Oeste. Tom, you are entirely correct. (AL Niblack) ...Hello DXers Prgm from HCJB reports that R. Nacional de Brasilia has only one 250kW transmitter in operation, and that beamed to Europe only. Second transmitter is being shipped from Switzerland and will be used to cover No. America. Antennas are for this transmitter. (Bob Zilmer)

BHUTAN The National Youth Assc of Bhutan runs Radio NYAB which began beasting officially on 11/11/1974, the King's Birthday. Transmissions are on Sundays only at 0730-0930, with EE and Bhutanese, and music prgming format. (NZDX Times) (7040)

CHINA (PR) RP, 9390, 0142-0154, an ID, report on grain production, S'off. (Glenn Hauser)

CHILE 9590 R. Pres Balmaceda ID, ads, gongs, 6/27, at 1732. (Glenn Hauser)

COLOMBIA 5035A Listened to a Colombian 6/29, 0500-0630, I never did get an ID except that it was an RCN network station. SS, LA music, suspect Voz de Caqueta. (Henry Lazarus)
EGYPT (UAR) (See previous FS) 15335 Radio Cairo on new fgy in EE, 0200, IS and ID. This was my previous unidentified with native African prgming. (Bob Zilmer)...17725 Radio Cairo from tuning 1515-1859*, in EE prgm, "Voice of Africa". Good clean signal. (Hadley Cress)...Radio Cairo, 9475, 0200-0215 gal anncr with letters prgm, AA music, vy good lvl. (Ben Carter)

ETHIOPIA 7165 ETLF at 0359, EE, IS, an ID, then jammed, on 7/5. (Bob Zilmer)

FINLAND 15185 R. Finland, at 2300, EE ID only, anned not temporarily using EE. (Bob Zilmer)

GAMBIA 4820 Gambia noted here from 0615-0715 in language with Afro music and chants. Into EE BBC news 0700. Good sigs for 3kW. Is my 100th HIC in 8 months of DXing. (John Moritz, Jr.)

GERMANY (E) 9620 RBI at 0143 with political cmtry, on new, unlisted fgy, SS. (Jack Jones)

GREENLAND Godthaab can occasionally be heard on 9575 around 2200, though reception is rather poor, fgy generally covered by RAI. IS, though weak, once heard between 2210-2215. (Victor C. Jaar)

GUINEA REP LV du Revolution has been logged here on 11965, fading in after 0300, with non stop music, until 0330, when heard with an ID in FF. (Tom Alleman)

HUNGARY 15220 Radio Budapest finally audible here 6/28, 0359 with IS, but no trace on 17710. In a recent DX prgm R. Budapest said these channels were 1 or 2kW xmtrs, being used for, "modulation experiments". (Glenn Hauser) (DXers, heres your chance to get a low power station from Europe, lower your QRP, Editor)

INDIA 17705 AIR poking across the pole 6/24, 0356, in Hindi talk. (Glenn Hauser)

INDONESIA 11790 VoI, Jakarta, came in vy well on 6/21, from 1116-1200, with news, "The Week in Review". Credit Glenn Hauser's tip in the FS for my logging of this one. (Henry

LIBERIA 11790 At 1738, VOA-Careysburg, 1738 in Swahili to E. Africa (Glenn Hauser). / Lazarus)

LIBYA Tripoli can sometimes be heard on 6185, after apparent 0400 S/on, and later. Most of the time reception is bad because of strong QRM. Libya heard with clear ID in AA. (Victor Hauser)
MALAGASY 9585 RN's Relay noted 2000-2120 in EE prgm, moved here from ex-11730, / C. Jaar) well heard from 2115-2120 S/off. (Glenn Hauser)

MEXICO 9600M (TENT) R. Universidad Nacional, 0100-0200, 7/6, in SS, cmtry, one tentative ID. (Jack Jones)...9609.41 In SS, 1500, R. Universidad moved to this fgy, ex 9609.45. (Glenn Hauser) *

See pg 34 July FRENEX for (continued)
picture of back of Sao Tome QSL.

MOROCCO Re June FS item: Last year during a visit to Tangier, I noticed several antennas near Cape Spartel and asked the official Moroccan guide whether they were used by VOA. He said: Not at all! - and claimed there were no VOA transmitters in the country, which is not true... (Victor C. Jaar)

MOZAMBIQUE Beira is heard daily since 6/1, on the new fgy of 4755, mostly in unidentified African language, after S/on in PP, at 0400... On 6/23, Beira also heard S/on at 0400, in parallel with 3275, both fgy's nice lvl... Beira also heard daily on 4896 with Swahili, after 0400 S/on. (Credit all to Victor C. Jaar)

NORWAY 9645 Radio Norway, 0216, with cmtry on tobacco sales in Norway, good lvl. (Jack Jones)

PAKISTAN R. Pakistan, EE news, good 7/5, 1303-1310, on 17820, though QRM. (Glenn Hauser)

PARAGUAY Following the decree of 8/27/1972, local time is advanced by one hour from October to March. (Victor C. Jaar)

PERU 4995 Radio Andina vy strong signal on 6/29, from 0632-0702 S/off, prgming was Peruvian music, vy easily heard SS IDs. (Henry Lazarus)... 5962 Radio Nacional from 1949 tuning, native music, SS IDs at 1950, 1956, and 2000. (Hadley Cress)... Delete from 1975

WRTH - these Peruvians inactive: 4835; 4880; 4890; 6042; 6062; 6150; 6180; 6190; 6195; 6205; 6235; 9545; 9600; 9655; 9740; 15150; 15180; 17890; 21600. But, add these Peruvians: 3300 Radio Junin; 3330 Ondas del Huallaga; 3350 R. Independencia, Ica; 3360 R. Huanuco; 4785 R. Coop, Satipo; 4820 R. Puno; 4825 La Perla del Sur; 4855 R. Oriente; 4830 R. Apurimac; 4950 R. Ucayali; 5020 R. San Cristobol de Huamanga; 5955 H. Huancayo; 6028 R. Nacional, Iquitos; 6070 LV de Huamanga; 6145 R. Minería, ex-6195; 6195V R. Cuzco, ex-6250; 9600 R. Huaraz. (Credit all above data to DSWCI, via John Tuchscherer)

PORTUGAL Em Nacional, 21745, from tune at 1755, PP to Cape Verde and Brazil. (Hadley Cress)

SO AFRICA 7185 Springbok Radio observed with WR, cms, TCs, pops, gud lvl, 0545. (AL Niblack)

SWAZILAND SMR, 4980, was a regular from 0355 IS on, has been missing since 6/15. Any ideas?? (Tom Alleman) (How about 3223, Editor) (4980)

SPAIN 11880 RNE, 0103, has grabbed this fgy, noted 6/22; or could it be Canaries? (Glenn

SUDAN 5039 R. Omdurman logged from 0505-0525, with AA chants and music. Poor / Hauser) lvl, but am pleased, is my HIC 101. (John Moritz, Jr.) (Congrats, the next 50 not too

difficult, but OH, the following 50 after the 150 mark, won't be easy, no way, Editor)

SWEDEN 9605 RS, 2326*, in EE cmtry, at good listening lvl. (Jack Jones)

SWITZERLAND 17830 Summer light now allows regular reception SBC late as 0015, FF. (Glenn

SYRIA Damascus heard weak but clear with SS to Latin America on 15165, at 2250, / Hauser)

but often blocked by other senders. (Victor C. Jaar)... 9673A R. Damascus with woman anncr in EE at 2000, with pops, interspersed with anti-Israeli cmtry. Good solid copy at 2015 with an ID. I think this a new fgy and new svc. (Mike Agner)

TURKEY 15165 VoT noted on 15165, 2315, in EE, fair lvl, pops, unlisted fgy. (S.W. Eichenhorn)... TRT, Ankara, has returned to the 19MB, observed on 15164 // 9915, 1530-1600; and, 1930-2000, good lvl, though some QRM de R. Denmark. (Albert Garrou)... Just picked up VoT on 15165, on new fgy in EE, 2220, in dual with 9515. No longer using 11880, noted 6/25. (John Moritz, Jr.)... I heard VoT on 6/22, 2330-2345, on new 15170, with a rapid taking DJ in EE, pops, and many IDs. QRM from VOA S/on at 2345. (Bill Pasche)

USSR RM, 11720, 0249-0253, woman anncr with news in EE, background music, good lvl. (Ben Carter)... 9710 Kirghiz (TENT) from tuning at 1920. M.E. type music and language. RM IS at 1930. Polar type flutter, poor signal, QRM. I have not counted it yet! (Hadley Cress)

UGANDA New SW transmitters are on order. The first of the two 350kW transmitters for Radio Uganda's external svcs arrived 4/30. Tentative to be on the air by July. Contract for transmitter installation is being handled by Brown-Boveri and Company, Switzerland. Prgms in EE, FF, AA, and Swahili will be aired. (SWCDXERS) (Friend Hadley Cress, kidding you a little, you will then be able to hear Uganda, one of your looked for favorites, Editor)

YEMEN ARAB REP Sanaa is being heard daily here at 0300 S/on, in AA, on new 9585.

Former 5804 is not now heard. (Victor C. Jaar)

ZAMBIA 15244.72 Kinshasa causes C# hets against higher 15245 stations, such as Brasilia, noted 6/29, 2008; and RM, 6/30, 0017. This is equivalent to a difference of 0.28 khz, allowing this measurement. (Glenn Hauser) (Glenn, are you positive that Brasilia and Radio Moscow, your standards in this particular case, are precisely on fgy, to a laboratory degree of measurement quotation?, Editor) (Space will be provided here-in for reply, Editor)

UNKNOWN (See previous FS) Radio Swan again logged 6/11, 0841-0859, in SS, also on 7/5, 7/7, on 6185; theme tune is, "Zippety Doo Dah", good lvl. Though I don't get the complete picture, I know what I hear. Any additional help?? (Jack Jones)... Checked 6/30, 0840, heard only PP, not SS. Think Radio Bandeirantes still here on 6184.77. Was Jones' mystery station on this precise fgy? (Glenn Hauser)

ERRATUM (See previous FS) Just received my FBIS listing and realized its the wrong one; SWBC should be Part 2. (Ed Insinger)... Part 2 of Broadcasting Stations of the World mentioned in July FS, covers FM stations. I hope those ordering it will join me in the heterodyneless happiness of FM DXing. (Glenn Hauser)... (To those that this item caused inconvenience, the error was regrettable, and both contributor Ed Insinger and I, apologize for its incorrectness, Editor)

FLASH GREAT JOY Just as I am closing this effort the postman delivered to my QTH, a QSL from Radio Vila, Port Vila, New Hebrides; V/S J. G. Massias, Chief of Service and Information. Is officially stamped with the seal. This one pleases me muchly. (AL Niblack)

ACKNOWLEDGEMENT: To all those who so kindly submitted material to this FS, your efforts are noted and appreciated. Please come back time and again. Thanks to: Charles Wootton, Md; Glenn Hauser, Okla; Bob Zimmer, Wisc; SWCDXERS; Tom Alleman, N.Y; AL Niblack, Ind; Ben Carter, Tenn; Henry Lazarus, La; Hadley Cress, Va; John Moritz, Jr. Ohio; Jack Jones, Miss; Victor C. Jaar, CANADA; John Tuchscherer, Wisc; Mike Agner, N. J; S. W. Eichenhorn, Mich; Albert Garrou, Ill; Bill Pasche, Wisc; Ed Insinger, N. J; Ralph Perry, Ill., via NU; NZDX Times. To all..... Vy 73, AL
