While I have heard your station a number of times, I have never heard it like I did last night, or I should say this morning. It came in very good indeed. I heard "It ain't gonna rain no more" which was very good, also that instrument that you told us to guess what it was. I cannot guess. The orchestra was also very good, I liked very much "A smile will go a long long way." I listened from 12 until 2 a.m. Wishing you long success and prosperity from

Heard your broadcast this evening. I don't find you listed in Government List. Are there two stations in Mattapoisett? What is your wave length? Some Kitten Song. How is Old Cape Cod? Are the storms as severe as they were when I was a kid and lived in Dorchester? HC Kilber

Your Radio Program of Midnight - Saturday
was received and greatly enjoyed.

The Orchestra, Vocalists and particularly
the duet of Accordion & Banjo - not omitted
Capt. Sistrar - all of the N.B. Yacht Club
were exceptionally pleasing.

Come again

Received on a Paragon RD-5 and Magnavox Loud Speaker.

Reception - exceptionally good - Loud Speaker worked fine on Detector tube alone.

Station 1xal.

I was surprised to receive a part of your program last night (Sat night).

I happened to turn on and caught you unexpectedly. It was fairly clear. I enjoyed the music, and shall look for you again. While not loud, it was good, but I did not get the owner's name. Success be with you.
