ON THE SHORT WAVES

DOCTOR OF SHORT WAVES DEGREE (D.S.W.)

The D.S.W. Rules Committee, Messrs. Lawton, Ryder, DeMyer and Bigbee announce the following Official rules for acquiring the D.S.W. Certificate:-

A member in order to become eligible for the degree of D.S.W. must have at least 100 Short Wave verifications, including at least three from each of the six major continents, and representing at least twenty-five foreign countries, colonies or protectorates, exclusive of the one on which applicant lives. Members residing in India may, in lieu of the 100 short wave verifications, have five from each of the six major continents... Amateur Phone stations if on voice, and not on same Continent as applicant, shall count... Commercial stations that verify or signify that verification is implied, shall count... Rugby Commercial stations that merely thank listener for report shall not be counted. Daventry stations shall count since no card would be mailed unless correct report was given... All verifications for eligibility must be inspected and OK'ed by your District Director or Representative... Certificates will be issued from Headquarters. The fee will be \$1.00.
