اداره اطلاعات و رادیو استان آذربایجان شرقی

Our broadcasting system has been working for last 15 years. one of our engineers has completed B.B.C. course in London England.

We broadcast 11/5 hours daily and our schedule is composed of 3 periods.

- 1- First Start 6.A M ends 8.30 A M
- 2- Second Start 11/30 A M ends 2/30 p M
- 3- Third Start 5 P M ends 10 P M

We broadcast several different program which are interesting to difference groups of our people.

Our daily program involves 15 minutes for children, 30 minutes for ladies, 30 minutes for highly educated people, 15 minutes for farmers and etc.

During these programs we play several local national- oriental and classical records.

We have to transmissions .

- 1- Short wave 5 K.W.P- F collins made in England.
- 2- Medium wave 7.½ K.W- R.C.A. made in U.S.A. each has 110 meters anthna first one is erected vertically and second one somewath horizontal.

We broadcast in following languages.

- 1- persian (Iranian) 2- Azerbaydjanian(Turkish)
- 3- Armenian.

Our announceur starts our program with this statmant Inja IRAN  
ast radio TABRIZ it means- this is IRAN radio TABRIZ.

Each friday afternoon we play several dancing music and also some  
different records which are ordinarily requested by our people.

Our programs ends with our national anthem.

My dear friend would you kindly let me know if you do hear our voice  
in different occasion.

Sincerly yours Aziz Arab

Lesion officer.
