

WHAT THE HECK'S GONE WRONG
WITH IT NOW?

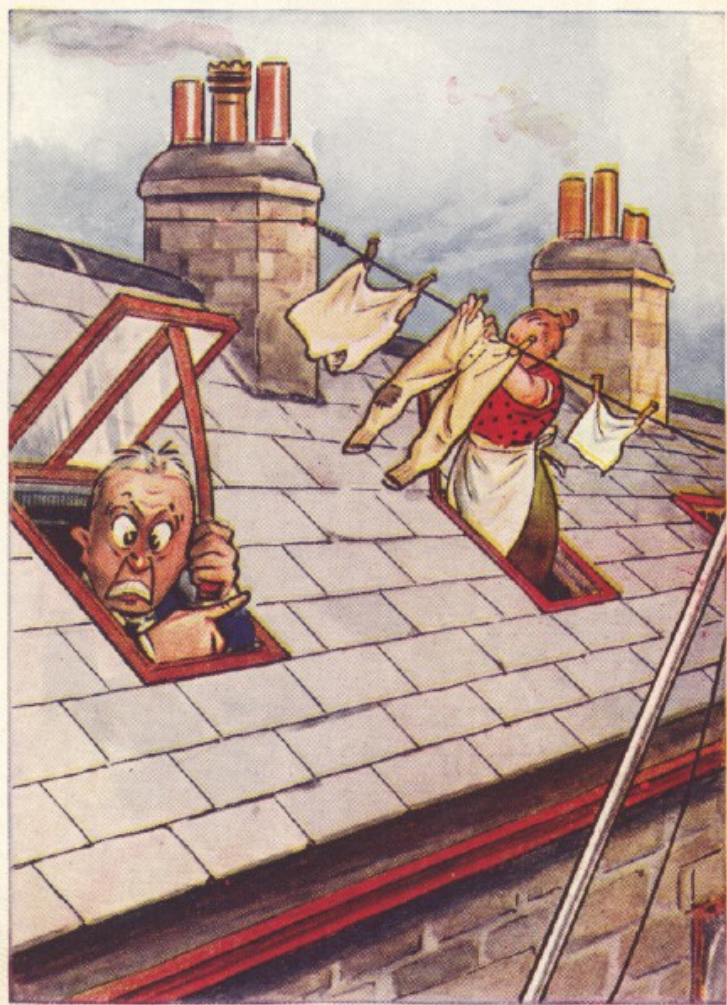

IF YOU'RE GOING IN FOR A RADIO SET
IT'S ADVISABLE TO HAVE YOUR
AERIALS ON THE ROOF AT HOME

HOW MANY TIMES HAVE
I TOLD MARTHA NOT TO SING
WHEN I'M LISTENING IN?

FANCY ME TRYING TO LISTEN TO
THE WORLD'S PRIMA DONNA WITH
HER HUSBAND'S DIRTY OLD TOGS
ON MY AERIAL

A RADIO SET WOULD JUST SUIT YOU.
YOU KNOW THOSE LONG DREARY EVEN-
INGS WHEN THE WIFE'S OUT!

A COUPLE LIKE YOU OUGHT TO HAVE A
RADIO SET. YOU COULD CANOODLE
BETWEEN THE ITEMS WITHOUT AN AUDI-
ENCE LOOKING ON

BROADCASTER

You broadcast with so much "static" din
If only the station you'll plainly tell.—
That when you "tune up." we'll not "tune in"
We suggest you call it H. E. L. L.
