JANUARY '67

Keith Kwiecien, 13048 57th Ave., So., Seattle, Washington 98168. "I am eighteen, a highschool grad and work for Boeing. Formerly from Nevada, moved to present location last Sept. Have been SWling for about 2 years. Equipment includes a Lafayette HA-225, S-40, BC-348 and BC-1206. Antenna is a super magnum. Am interested in cardswaps, contests and awards, also stamps and CBing. Am member of RCDXC, ASWLC and RMYLC. First heard about NASVA via a cardswp from a member."

Gerd Roeltgen, 107 Glen Road, Yonkers, New York 10704. "Immigrated from Germany, now an American citizen. Been interested in radio for quite a few years, but just now starting actively in the hobby. Age is forty, I am married, vocation is machinist. I have two son's who are also interested in SWling. Rx is a Lafayette HA-230 and HA-55, antenna is an inverted L longwire. Read about NASVA in Electronics Illustrated."

Irving Johnson, 7008 Vinevale Avenue, Bell, California 90201. "Began in the hobby back in 1936, but interest was sporadic until '57. Age is 69 and I am in the clothing business. Rx is a Hallicrafters S85, antenna a 30' longwire. To date have logged and ID'd 120 countries. Presently making a tape I call "Around the World in 80 Minutes", utilizing best reception and dubbing in commentary, both humorous and factual. Am ex-president of the old Chicago Daily News DX Club. Other interests include Horse racing, magazine writing and tape recording. Am a member of NNRC. Read of NASVA in WRTH."

Ward S. Williams, 714 Washington Street, Covington, Indiana 47932. "Am a "country lawyer" interested in radio. Age is 55, I am married. Receiver is a Lafayette HA-225, antenna is an L shaped longwire. Also have CB and VEF gear. To date have 50 QSLs. I heard about NASVA via some ham operators, it is my first club."

Richard Harvey, 133 Morris Avenue, Summit, New Jersey 07901. "I am new to the hobby, but find it very interesting and rewarding. Employed as a machinist, I am 19, single and a highschool graduate. My rx is an International VR-250 and I use a 100' longwire type antenna. Other interests include cardswaps, basketball, football and CBing. I read about NASVA in recent EI magazine. Am happy to be a member."

Bruno Colapietro, 708 Harpur Drive, Endicott, New York 13760. "I started SWling in '64 and began questing QSLs early '66. Now have 98 countries verified. Am an attorney, age is 31, married, have two little girls who wonder if their dad has ears under the headphones which constantly adorn his greying pate. Am also kept busy as VP of the Binghamton Triplets, a Yankee farm club in the class AA team in the EPBA. Receiver is a Hallicrafters SX-122, antenna a 42' longwire NW/SW. I DX SWBC, ute and ARO bands. Other interests include awards, contests, gold, oil painting. Am member of NNRC. I am pleased to join NASVA, it being recommended to me by member Bill Graham."

Ernest H. Blair, 1212 Warren, Topeka, Kansas 66604. "Born in Topeka, spent five years with the Army during WWII. Am 49, a grad of Washburn Univ., married. Vocation is insurance broker. Am rather new to SWling, have just built my rx, a Peathkit GR-54. My antenna is a longwire. Other of my interests is boating. Read about NASVA in PE."

Peter Pompe, 225 ave Slegers, Brussels 15, Belgium. "I am a German national, 30 years old, married, working in Brussels as a Conference Interpreter for EEC. Began in the hobby back in 1954 using a Zenith TransOceanic, now use a Braun T-1000 which I personally consider the best rx in the world. I am interested in contests, awards and in languages. Hold membership in Dutch, Norse and Finnish DX clubs. Hrd of NASVA in WRTH."

Robert Birnbaum, P.O. Box 15202, Del City, California 73115. "Am 35, married and am an EE by vocation. Rx is a Drake 4A, I have an ERC-500 on order. Antenna is a longwire. Being I am interested in languages, I've decided to take up SWling. I have lived and

NASWA-FRENDX

HDC

New Members contd...

worked all over the world. Read about NASWA in recent issue of EI magazine."

Gary Mickle, 1519 Lemon Lane, Davis, California 95616. "A sophomore in highschool, I am 15 years old. Began SWLing when I was 12. My receiver is a Drake SW4 and I use a 100' longwire antenna. Just recently began questing QSLs and have 8, with a number of reports still out. I am interested in awards and contests and like to read science fiction. I belong to no other clubs, NASWA is my first and I read of it in Poptronics magazine."

Donald Precosky, RR#2, Fort Williams, Ontario, Canada. "I am sixteen and in 11th grade in highschool. Have been DXing for about a year. My rx is a Hallicrafters S-120 with a 40' longwire antenna. Standby rx is a Realtone TR-4597. Other gear is a taperecorder. I am interested in contests, awards, sports, stamps and QSLs. Am a member of BDXC, RNY-WLC and CIDXC* Learned about NASWA from "Messenger" bulletin*"

19-FEBRUARY-67

George Mullen, 1166 Nostrand Ave., Brooklyn, New York 11225. "Am a native Brooklynite; Age 45, USArmy retired 1964. Presently employed as security guard. Rx is a Hammarlund HQ-145, also have a Hallicrafters SX-110; Antenna is an inverted L shaped longwire. I am interested in QSLs, awards and contests, also cardswaps. New to the hobby, I am sure I will benefit and learn much via Frendx. NASWA is my first club and I read of it in PE Communications Handbook '67."

Ronald Thomas, 5649 Shenandoah Ave., Norfolk, Virginia 23509. "Am 14 and in 8th grade. Have been interested in the hobby for about 2 years, but have been QSL seeking for just 6 months. My rx is a Hallicrafters S-120 and I use a longwire and SW9 antenna. Am interested in contests, awards, stamps, coins, swimming and am a member of the band at school. First learned about NASWA via PE magazine."

Robert R. Palmer, N.7005 Adams St., Spokane, Washington 99208. "A teacher of Junior High math, I am 37 and married. Have SWL'ed off/on since 1949, seriously since 1957. have logged over 130 countries to date, am not too interested in QSLs. Rx is presentl: a Hammarlund HQ-160; Antenna a 66' longwire. Although I have held editorial positions in certain clubs during past, I presently am a member of none. I join NASWA on the recommendation of long-time friend and good member August Balbi."

Howie Rosenberg, 700 Euclid Ave., Brooklyn, New York 11208. "Have been an SWL for 2 years. Age is 17 and I am a senior in highschool. Equipment here consists of a Halli-crafters S-120, Heathkit StarRoamer and a Vista tape recorder. My antenna is a 50' vertical. I am interested in awards, contests, card/tape swaps and electronics. Read of NASWA in '67 PE Communications Handbook."

Norman A. Jacobson, 2424 Illinois St., Racine, Wisconsin 53405. "Married, 38 and a research chemist. Have been SWLing for about a year. Rx is a Hallicrafters SX-71 and I employe a 100' rhombic antenna (in attic). Interests center on awards, stamps, also camping and hiking; Too, the educational value of SWLing and QSL collecting. I first heard of NASWA via friend/member Robert Getman, and through PE."

Jim Eller, 1001 Acacia St., Clifton Forge, Virginia 24422. "I am a highschool fresh-man, age is 14. I use a Lafayette H-700 rx and a 40' longwire antenna. Other gear is a GE taperecorder. Am interested in contests, awards, also photography and tapeswaps. NASWA is my first club and I heard about it from friend/member Jerry Green."

Robert L. Gorenflo, Box 48, Green Camp, Ohio 43322. "I am a millwright by vocation, am 43 and married. Shack gear here includes a National NC-50, Knight 150-A, Heathkit HR-10 and Lafayette HA-52A. Antenna is a dipole. I am interested in awards, contests, cardswpas and coin collecting. Belong to ARRL. Read of NASWA in PE."

Stanley F. Cabral, 2254 62nd Ave., Oakland, California 94605. "Have been playing around with radios for a number of years, but have just recently taken serious and an outright interest in SWLing. Age is 41, I am married and work in industrial arts. My rx is a Hammarlund HQ-180A, anetnna is an inverted L longwire 70'. Other equipment is Galaxy rejector and Ameco preamp. Of my 18 QSLs to date, I prize those from R.Brunei and Nepal most. NASWA is my first club and I read of it in PE Comm.Handbook."

Paul Burns, 546 First St., Manistee, Michigan 49660. "I am 15 and have been SWLing for about a year. My rx is an RME-69, antenna a longwire. Aside from the rx, only other gear I have is a Norelco 101 tape recorder. I am interested in awards, contests and tapesponding, also stamp collecting. NASWA is the first club I have joined and I read about it in the 1967 PE Communications Handbook."

(More New Members, next page)

Tom Benenati, 6 Sunset Dr., Norwich, New York 13815. "I am 16 and a junior in high school. My favorite sport is football and I also like to play the guitar, hunt, fish and trap. Began serious interest in SWling about July of last year. Use a Hallicrafters SX-110 rx and a 65' longwire antenna. Other interests include awards, contests, card-swaps and amateur radio. Am a registered PE monitor station, but NASWA is my first club. I read of it in current PE Communications Handbook."

Bruce Goldman, 2180 Bolton St., Bronx, New York 10462. "A native New Yorker, I am 16 and a high school junior. Started DXing in Aug'66 with a transistor rx, now use a Lafayette HA-230 with a 66' longwire antenna. Am interested in contests, awards, coins, stamps, photography and electronics. Member of RNYWSWC, BDXC, RCSWC. Now join NASWA which I read of in PE and EI magazines."

Ed Daniel, Sunset Drive, Ottawa, Ohio 45875. "Am 15 and in high school. Started in the radio hobby as an experimenter and have since become mainly interested in SWling. My equipment includes a Heathkit GR-64, Knight SpanMaster and TDC tape recorder. Antenna is a longwire. Am interested in awards, contests and tapeswaps, also paintings and marine life(aquarium). NASWA is my first club and I read of it in EI."

Bryan Roach, 3 Fowlds Ave., Sandringham, Auckland, New Zealand. "Dxing since 1962, I am 20 and work as clerk in main Post Office here. My rx is a Philco and I use a longwire antenna. I am interested in awards, contests, also in reading and woodworking. Am a member of NZDXRA; Heard of NASWA via WRTH."

Trev Burke, 644 Baker St., Victoria, B.C., Canada. "Age here is 17 and I attend 11th grade at Mount View High School. Rx is a Heathkit GR-64, antenna is a dipole in two 25' segments. Other gear is a Q-multiplier and a Crowncorder CTR-5400. I am interested in contests, awards, tapesponding, stamp collection and electronics. Am a member of ASWLC and the IDXC. Heard of NASWA from friend/member Serge Neumann II and also EI."

Danny Jamison, 3530 Woodmere Drive, Richmond, Virginia 23234. "A 17 year old Junior in high school here. Set up includes a Hallicrafters S120, National RQ303 tape recorder and I use a whip antenna. Am interested in awards, contests, card and tape swaps, also am on school football and track teams, like golf. Although I belong to RNYWLC, I consider NASWA my first real club and I read about it in leaflet issued by Radio Sweden."

Charles Rizzo, 6315 Madison Street, W. New York, New Jersey 07093. "Began SWling in July last year. Am 14 and a sophomore in high school. Using a Hallicrafters S120 and 50' longwire antenna, I have logged 40 countries so far, QSL'd 13. Am interested in contests/competitions, awards, also science. Hrd about NASWA via member Mike Larkins."

Frank A. Grochowski, 171 McKee Road, Irwin, Penna. 15642. "Mechanical Engineer by vocation, I am 38, single, a grad of Univ. of Pittsburgh w/BS in Mech. Engr. Presently employed by Westinhouse. Rx is a Hallicrafters SX122 with a Heathkit GR64 standby. Antenna is a longwire. Aside for SWling, other interests include hunting, sports and photography. First learned of NASWA in Popular Electronics magazine."

Ramsay Young, Route 1, Crewe, Virginia 23930. "I'm 15 and a sophomore in high school. Have been SWling for about 3 years. Gear includes a Haethkit GR64 and a Holstrom SK-20 preselector. At present am using a longwire antenna, but I experiment with other types from time to time, depending on space, time, money. Am interested in contests, awards, cardswaps, also pool, golf, football and baseball. NASWA is my first club and I read about it in Radio-TV Experimenter."

John MacDonald, Sir George Williams Univ., Montreal, Que., Canada. "Emigrated to Canada from Scotland in '58. Am 41, married, Prof. and Head Dept. of Education. Receiver is a Hammarlund HQ180, antenna an indoor joystick. Consider myself an enthusiastic, but not very technically gifted DXer; So far content to log rather than verify stations. Aside from the radio hobby, I am interested in politics, bridge and hypnotherapy. Am member of NRC, NNRC, IRCA and ASWLC. Learned of NASWA via Electronics Illustrated."

NEW MEMBERS

WELCOME ABOARD

19-MARCH-67

Clayton Adamson, Jr., 35 Phillips St., North Kingstown, Rhode Island. "Married, age 48, employed by GE. Receiver is a Drake SW-4, antenna a longwire. Interested in contests, photography and model railroading. Am a Navy vet, have traveled extensively. Read of NASWA in current PE Communications Handbook."

Joseph P. Ray, 2461 Fourth Ave., Yuma, Arizona. "Am 54, married, work for Southern Pacific RR Co. as wire chief. Equipment includes a Hallicrafters SX-122, Regency DR200 and 136A, Hy-Gain SW-6 antenna. Aside from radio, am also interested in fishing and boating. Read about NASWA in various electronic magazines."

Mark Dollinger, 8010 S. Phillips, Chicago, Illinois. "I'm 16 and a junior in high school. Have been SWling for about a year. Rx is a Hallicrafters S-120, antenna a 75' longwire E/W. Being I am interested in international politics, I mostly listen to the news broadcasts from different countries of the world. Am also interested in baseball. Hrd about NASWA from friend/member Gordon Schiff."

Tapio Salmijarvi, Voima, Linnavuori, Finland. "Been interested in SWling for about 6 years. Have logged 123 countries, veried 109. I am 21, single and a telephone central electrician by vocation. Receiver is an Eddystone 840C with which I employ a Drake 2BQ Q multiplier; Antenna is a dipole, plus 2 longwires. Other equipment is a Grundig 2T tape recorder. Would like to learn more about DX and life in the USA. Am interested in pop music, travel and racing(car). Read about NASWA in WRTH."

Edward Moul, 406 Country Lane, Narberth, Penna. "Age here is 19 and I attend Temple University. Am single. Have been SWling for about 3 $\frac{1}{2}$ years. Rx is a Zenith M660A and I use a 60' dipole antenna. Interested in awards, contests, stamps and cardswaps. First read about NASWA in '67 PE Communications Handbook."

R.W."Bob"Gamage, USCGC Staten Island, FPO San Francisco, Calif. "Just recently began SWling and rcvd orders for "Deepfreeze 67" so no QSLs as yet. Am 21, single and radarman for USCoast Guard. Presently using Knight Star-Roamer as rx with longwire antenna. Interested in contests, awards, stereo, and radio-TV troubleshooting. I credit my getting radio bug to a YL penpal in England...she had me try to pick up same stations she hrd. Read about NASWA in Popular Electronics magazine."

Phil Allen, Box 128, Irmo, South Carolina. "I am 14 and in 8th grade. My receiver is a Hallicrafters WR600. I have both an indoor and outdoor antenna. Other gear is a GE tape recorder. Am interested in awards, contests, also stamps, reading, travel and nature studies. Read about NASWA in PE Comm. Handbook."

Michael Baker, 8508 16th St., Silver Spring, Maryland. "Was an active BCBER about 8 years ago, but present interest is now SWBC. Age is 26, I am single and a pharmacist. Rx is a Hallicrafters SX-122, antenna a longwire. Interests include awards, contests, coin collecting, guitar, folk music, golf and tennis. I read about NASWA in current PE Communications Handbook."

Allen Abel, 850 E. 31st St., Brooklyn, New York. "I'm 17, single, now a senior in high school. Hope to attend Renssalaer this fall. Receiver is a Hallicrafters S-53-A and I use a 50' longwire antenna. Am interested in contests, awards, astronomy and iceskating, also cardswapping. Joining NASWA after reading about it in EI magazine."

Malcolm Lund, 913 N. Main St., Rockford, Illinois. "Using a Nacional NC-98 w/Ameco Nu-Vistor and window screen antenna (on 14th floor!), my prize QSL to date is that from ETLF. I am 53, married, connected with an Advertising Agency vocationwise. Considering present set up, DX results have been excellent. Hope to get better rx soon...and need three times as much time availability. Read of NASWA in PE Communications Handbook."

Bruce Cuthbertson, 1966 Camberly Dr., Lyndhurst, Ohio. "Have been DXing since last

...continued next page...

New Members, continued...

September when I began fooling around with an old SW receiver my dad got during WWII. I am 15 and in 10th grade. Present rx is a GE X216A and I use a 30' longwire antenna. Am interested in awards, contests, also sports and reading. Hrd about NASWA in PE."

Louis Janicek, 419 66th St., W. New York, New Jersey. "I am 15 and a sophomore in high school. Have been SWLing for about 11 months. My rx is a Heathkit GR-64 and I employ a 100' longwire(outdoor) and an indoor dipole antenna. Have 51 QSLs so far. Am much interested in awards, also contests and meteorology. Belong to the RCSWC. Now join NASWA after reading of it in 1967 edition of PE Comm. Handbook."

Sheldon Chorney, 205 E. 51st St., Brooklyn, New York. "An OM of 27, I have been active in SWLing for the past seven years. I am single, work as an electronic technician. My gear includes a National NC-109, Ameco Preamp and Xtal calibrator; Antenna is a verty. Am interested in awards, contests, electronic experimenting and also bowling. I first heard about NASWA via PopTronics magazine."

Hank Halbrook, 7211 Chestnut St., Chevy Chase, Maryland. "Began radio monitoring in '46 and have listened on just about every frequency there is below 30mc. I DX all bands; Am particularly interested in SWBC stations below 5mcs. Age is 38, I am married and employed at The American University, having rcvd AB Degree at Geo. Washington Univ. My equipment includes Hammarlund HQ-129X, National RBL-2, Westinghouse RBM-5. I employ a variety of antennae. Am interested in contests, awards. Am member of NRC, NNRC, CDXC and IRCA. Now join NASWA after hearing of it via friend/member Bob Hill, also reading of it in "Cadex" bulletin of the Canadian DX Club."

Jim Voorheis, 4911 W. Maple Road, Birmingham, Michigan. "Age is 31, am single. I am a musician(pianist); Rcvd BS at Michigan State Univ. Rather new at SWLing, just now becoming interested after building my Heathkit GR-64. I use a dipole antenna. Other gear is an Ampex F4470 tape recorder. Am interested in recording interval sigs and such of different and plan to begin questing QSLs. Other interests include music (both jazz and classics) and languages. I read about NASWA in EI magazine."

Clarke Thacher, 15632 Winding Brook Dr., Mishawaka, Indiana. "DXing since 11/67, I am a freshman in high school, age is 14. My rx is a Hallicrafters S-120, antenna is a fan dipole type. Other gear is a Webcor tape recorder. Of the 16 QSLs I have to date, I prize the one from Thessaloniki most. Am interested in awards, contests, science and map collecting, also would like to begin tape sponding. Hrd about NASWA de member Richard E. Wood, formerly of American Central Radio Club."

Lester W. Nichols, 63 Linda St., San Francisco, California. "Am a retired Merchant Marine, disabled due crushed vertebrae received during typhoon at sea. Age is 51 and I am married. Equipment here consists of a Drake SW-4, Scott SLR-F, SLR-12B and a Hallicrafters S22A. Antennae is Mosley SWL-7 and a 40' longwire, end fed. Interested in awards, contests, cardswaps. Am member of NNRC, ASVLC, JSWC and RNYWLC. Read of NASWA in various club bulletins, also via HCJB and in PE."

Ken McCartney, 827 Continental Blvd., Toledo, Ohio. "I've been an SWL on/off for 20 years. Hrd about NASWA via station 4VEH and after seeing sample Friendx, now find I am instilled with a more serious interest. Age is 35, I am married and am manager of a truck/freight line. Receiver is a Hallicrafters S-85, antenna a 40' doublet. Other equipment is a Knight freq calibrator. Am somewhat interested in contests and awards."

Jon Kusko, 83 Allerton Road, Newton Centre, Mass. "Am 16 and a student attending Rivers County Day School. Interested in awards, contests, model rocketry, coins and pool, also sports. Rx is a Lafayette HA-63, antenna is a dipole. Also have a crystal calibrator. To date have 57 QSLs. Am member of BDXC and RCSWC. Read of NASWA in Comm. Handbook."

Chet Brannan, 2314 Harney St., Vancouver, Washington. "Am 25, married, recently out of Navy after tour of duty. Employed as Commissary Mgr. at School for the Deaf. New to the hobby. Rx is a Realtone 11 band portable and I use a longwire antenna. Am somewhat interested in contests and awards. Other interests include fishing, reading and hiking. Heard about NASWA from friend/member Robert Palmer."

Dan Robinson, Box 933, Norwalk, Connecticut. "Started SWLing last January after three years in Japan w/USAF. Am 24, single, attending night school, am a refrigeration technician. Rx is a Hallicrafters S-120, antenna is a 140' V-shaped longwire. I hope to

...continued next page...

New Members, cont'd...

take part in future contests/competitions and am interested in awards. Only other of my radio connected interests at present is in CBing. Read about NASWA in EI magazine." Cecil Waugh, 2317 South 16th St., St. Joseph, Missouri. "Am an easy going guy of 30 who has been SWLing for about five years. Am a welder by trade, single. Equipment here is Halliørrafters SX-110, Hallicrafters S-22-R, preselector, Q-multiplier, and crystal calibrator. Antennae are a half-wave inverted V and a 32' vertical. Am interested in awards, contests, cardswaps and tapesponding. Recorder is a VM-930 model. Other of my interests are golf, fishing, hunting, radio repair. Heard about NASWA from friend/member Jerry Sullivant and via Popular Electronics."

NEW MEMBERS

WELCOME ABOARD

19 -APRIL- 67

Lynn Bradley, RR#5 Box 254, Elkhart, Indiana 46514. "I am 14 and a freshman in high school. My receiver is a National NC-54, I also have a Realtone portable. At the present time I use a coil type antenna. Am interested in awards and contests, also in QSLs, stamps, wrestling and model ship building. Read about NASWA in EI magazine."

Steven Bergmann, 160 Cabrini Blvd., New York, New York 10033. "A junior in high school, I am 16. My shack gear includes a Knight StarRoamer and an RCA-Echophone; Antenna is a 125' longwire. Am interested in contests, awards, cardswaps, photography and people. To date have 29 QSLs, favorite being that from Radio Brunei. Learned of NASWA via PE."

Mike Kamp, 8527 Mobud, Houston, Texas 77036. "Have been DXing for a little over a year now. Age is 17 and I am a high school senior. Rx is a Hammarlund HQ140X, antenna is a Mosley SWL-7. Interested in awards and contests. So far have 43 QSLs from out of the 62 countries I have heard. Read about NASWA in PE Communication Handbook."

Eugene Murphy, 52 Sherman Ave., Jersey City, New Jersey 07307. "I am 17 and a senior in high school. Am new to the hobby. Rx is a Hallicrafters SL20, and I use a Lafayette 1/2 wave "Range Boost" antenna. Funds are limited at present, but in future I plan to buy better equipment. I am interested in contests, awards, cardswaps and electronics. First learned about NASWA from Hallicrafters literature rcvd with my rx."

Herbert Edwards, Jr., 4039B Flowerfield Road, Norfolk, Virginia 23518. "Am new to SWLing, but quite interested from standpoint of DXing. Age is 47, am married, vocation is mgmt. consultant. Equipment includes Hallicrafters SX122, freq calibrator and two tape recorders. Antenna is a 65' longwire. I intend to add to my equipment as my skill improves, so that, in time, I have a professional radio shack eventually. Am interested in awards, contests, guitar, fishing, stereo, also model ship building. Belong to RCSWC and ASWLC. Read about NASWA in 1967 Communications Handbook."

Bill Flynn, 2200 California Ave., Apt. 23, Mountain View, California 94040. "After being inactive in the hobby for some 8 years am now returning. Am 35, single and work as a sales engineer-electronics. Receiver is a Nordemende "Globe Traveler" and I use a whip antenna. Also have a 14 transistor portable. Am interested in QSLs, also classical mx and electronics. Became interested in NASWA after reading of it in PE Comm. Handk."

Thomas Walsh, 53 Neponset Road, Quincy, Massachusetts 02169. "I'm 18 years old and a freshman in college, majoring in electrical engineering. Began SW DXing about 5 years ago, but all my QSLs were destroyed, thus I'm starting from scratch again. Set up here consists of a National NC54, Nordemende "Globe Traveler" and Webcor tape recorder. I use two dipole type antennae. Am interested in awards, contests, cardswaps/tapeswaps, also travel, electronics, and baseball, basketball. Read of NASWA in EI."

Walter Fair, Jr., 12022 Palmway Street, Houston, Texas 77034. "I am a student in the 11th grade and am 16. Have been DXing about 3 years, mainly MW, until seeing Frendx which I consider better than any other club bulletin (and I've seen many!). I use two receivers, a Hallicrafters SX99 and a S40B; Antenna is a longwire. Other gear is an Emerson tape recorder. Am interested in contests, awards, stamps, chess, model rocketry and girls. Presently am member of DXCI and NRC. Learned about NASWA via Richard E. Wood."

Peter Lisenco, 137-64 Kalmia Avenue, Flushing, New York 11355. "Fifteen and a freshman in high school, very interested in SWLing and DXing. My rx is a Lafayette HE30 and I use a 50' longwire antenna. Am interested in QSLs, contests, awards, stamps and model rail-roading. First read about NASWA in current PE Communications Handbook."

Thomas Rosalanko, 218 Mt. Prospect Avenue, Newark, New Jersey 07104. "New to hobby, am 14 and in 1st year high school. Rx is a Knight StarRoamer and Zenith 65656; Antenna is a 45' longwire. Interseted in awards, contests, chess, coins and electronics. NASWA is my

New Members, cont'd.....

first club and I read about it in both PE and EI magazines."

Frank Richardson, 328 Bucknell Drive, Daytona Beach, Florida 32018. "New to the hobby, I am 39, married and employed by GE as engineer. Presently use a Hallicrafters S120, but plan to construct a GR-54. Antenna is a longwire. A co-worker at GE got me interested in SWLing and after reading of NASWA in EI magazine, seeing sample of Friendx, I am certain I have found excellent source of authoritative info for beginner like me."

Daniel Trigilio, 88 Whitney Drive, Meridan, Connecticut 06450. "Am a senior in high school, age is 14. Have been an SWL for about 2 years. Use a General Electric "World Monitor" receiver with a 185' L shape longwire antenna. Other equipment I use is a tape recorder. Am interested in contests, awards, QSLs, slot car racing and penpals. I am a member of RSA monitoring panel. Read about NASWA in Comm. Handbook."

Andrew Pappas, 10143 Calumet Avenue, Chicago, Illinois 60628. "Have been SWLing since last July. Rx is a Drake R4A, antenna a 50' longwire; Other gear includes Nuvistor cascode preamp. Am interested in awards, contests, also hunting. NASWA is my first club and I learned of it via Radio-TV Experimenter magazine. Am 28, single and employed by wholesale meat company. Have 22 QSLs so far, wish I had more time for SWLing."

Charles Atkins, P.O.Box 238, Carthage, Tennessee 37030. "Reared in the foothills of the Smokey Mts., I am 27, married and Mgr. of a CFS Co-op. Am new to the hobby. My receiver is a Hallicrafters S120 and I use a longwire antenna. Am interested in awards, contests, guitar and am a Scout Master. Read about NASWA in recent PE magazine."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

Douglas Cann, 212 Hilliard Ave., Waterloo, Ont., Canada. "Am 16, a highschool student and have been an SWL for about two months. Gear includes an AR-88 receiver, Wollensak tape recorder, and I use a 45' longwire antenna. I am interested in awards, contests, also electronics, guitar and horseback riding, and tapesponding. Learned about NASWA from current PE Communications Handbook."

James Pollak Jr., 12 Baxter Drive, South Norwalk, Conn. 06854. "I am 17 and attend Central Catholic HS. Have aspirations of becoming a mechanical engineer. Began SWling two years ago. Use a Zenith TransOceanic model 3000-1. Other equipment is a Lloyds tape recorder. Am interested in awards, contests, cardswaps and tapesponding, also I collect stamps and coins. Read about NASWA in Popular Electronics magazine."

James F. Lovette, P.O. Box 2677, Tallahassee, Florida 32304. "President of DAVCO Electronics, Inc., I am 30 and married. My interest in NASWA, which I read about in PE, is mainly from professional standpoint and primarily so that I can keep abreast of the hobby. My rx is a DAVCO DR-20 with accessories. Other of my hobbies/interests include amateur radio and collecting antique maps. Might mention that my wife shows signs of becoming an avid SWL; She thoroughly enjoyed my first copy of Frendx."

Ralph Perry, 1436 Bristol Avenue, Westchester, Illinois 60653. "Been losing sleep, DXing since October '66! Age here is 16 and I am in highschool. Rx is a Knightkit StarRoamer with a 125' longwire antenna and Heathkit Q multiplier. Am interested in contests and awards, also playing pop and classical folk guitar. Might say I am in the market for a good deal on a used Hammarlund HQ100 or a quality Hallicrafters. Heard about NASWA via both Poptronics and EI magazines. I hope to be a real swingin member."

Emile Dussault, 3220 Ridgewood Ave., Apt. 100, Montreal, Que., Canada. Using a Marconi CSR-5A receiver with both an external dipole and internal 100' longwire antenna, I have thus far logged 78 countries, QSLd 28. I am 38, married and vocation is electronic technician. Am interested in awards, contests, cardswaps and tapesponding, also do a bit of experimenting with radio telescope and communication electronics. Read about NASWA in 1967 Communications Handbook."

Lawrence Wilson, Box 103, White River, Ont., Canada. "Married, father of 3 children, I am 51. Shack here includes Collins 75S3B and Hammarlund HQ-129X, Panasonic RS780 tape recorder, and large assortment of technical gear. Antennae used are 20m beam, 3 towers and longwires. Am interested in contests, awards, tapesponding, also fishing and moose hunting. Am a Scoutmaster, FirstAid instructor, and past Pres. of Canadian Legion. I learned about NASWA from Popular Electronics magazine."

Leslie Marcus, 1860 Potter, Apt. 6, Eugene, Oregon 97403. "Have been an SWL since 1951, when I was fourteen years old. Having been inactive the past 10, am now getting back into the swing at the ripe old age of 29. Rx is a Norelco L638 and being I live in an apartment, have no external antenna. Presently am PHD candidate in Romance Languages (French) at University of Oregon. Am single. Read about NASWA in current WRTH."

Proctor S. Burress, Jr., 2319 Cabot Drive, Lexington, Kentucky 40505. "Thirty-two yrs old, married veteran with one daughter, wife who is school teacher. I am presently completing masters degree in Psychology. Military service was with Army Security Agency and I was stationed in northern Japan. Rx is a Lafayette HA-230, antenna a 100' inverted L-shaped longwire. Other gear is a pre-selector. Am interested in photography, wood-working and stereo, also possibly in awards and contests futurewise. Joining NASWA after reading of it in latest edition of World Radio-TV Handbook."

Reinhard Stockmann, 164 Thompson Street, New York, N.Y. 10012. "A German immigrant, I am 33 and work as freight brakeman. Am new to the hobby. My receiver is a National NC-173 and I employ a Mosley SWL-7 antenna. Other hobby interest, aside from SWling/DXing, is playing chess. I read of NASWA in 1967 WRTH and am pleased to be a member."

(More new members on next page!)

New Members, cont'd...

Mark Watson, 3208 Quail Creek Rd., Oklahoma City, Okla. 73120. "Age here is thirteen and I have been SWLing for 2½ years. Am presently in junior highschool. Set-up here consists of Lafayette HA-700, Heathkit Q multiplier, Holstrom SK20 preselector and a Lafayette RK-142T tape recorder. Antennae are Mosley SWL-7 and a doublet. Am interested in awards, contests, cardswaps, tapesponding, also in scuba diving and amateur radio. Hope to get my novice ticket in near future. Am a member of CIDXC, RBSWC and RNYWLC. Read about NASWA in "Messenger" bulletin and in EI magazine."

Jim Streitmatter, RR#1, Idelstein, Illinois 61526. "A college senior, majoring in Business Administration, am 23 and single. I am rather new to the hobby, use a Knightkit StarRoamer at present, but plan getting new and better rx soon. My antenna system is two longwires. Am interested in awards, contests, and in fishing and electronics. I read about NASWA in Electronics Illustrated magazine."

Russ Fields, RD#1 Box 289A, East Palestine, Ohio 44413. "My interest in SWLing stems from my being a Cber. I use a Lafayette HA-700, also have two UHF rx's; Antenna is a longwire. Vocation is steelworker, age is 39 and I am married. Aside from radio, I am interested in hunting, fishing and swimming. NASWA is my first club and I read about it in EI. Am pleased to be accepted as a member. Frendx is very good."

Ray Standish, 1863 Saler Avenue, Dayton, Ohio 45406. "The DX bug has laid dormant with me for many years (I am 41) since I first became interested while serving with the USNavy. Now using a Zenith TransOceanic, model R-3000-1 which I find gives me many happy hours. Altho I have no other equipment at present, I do plan to expand later. Am married, have 5 children and am a dentist by vocation. Aside from radio, my only other hobby/interest is fishing. I first learned of NASWA via PE Comm. Handbk."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

Anthony A. Mirra, 236 Kittredge St., Roslindale, Mass. 02131. "I have been interested in radio, one way or another for a number of years. Am an ARO (K1ZFB) and also a CBER (KMA8998), but SWling is my top choice. Am a college grad, married, 37 and vocation is mineralogist. Equipment used here is an HQ-170A, SX-62A, SX-71 and a Grundig 5000. My antenna is a 150' longwire; Xmtr is a Ranger II. Am interested in cardswaps, tropical fish and photography, also in awards and contests. Read of NASWA in EI."

Charles Rasin, 347 Belleville Ave., Bloomfield, N.J. 07003. "Have been DXing for about 3 years. Am 34, married and work as shipping clerk. Use an SX-110 and a HQ-145A in my listening shack; Antenna is 3 longwires, various lengths. Am interested in awards, contests and cardswaps. Belong to NNRC, RCSWLC and RPDXC. Of the 62 countries heard on SWBC so far, I have 59 verified. Read of NASWA in PE Communications Handbook."

Don Dinkmeyer, Jr., 1015 Manor Drive, Wilmette, Illinois 60091. "Somewhat new to the hobby, I am 15 and a highschool freshman. Receiver is a Realtone "Globepacer", also use a Norelco transistor. Antenna is a 50' longwire. Am interested in awards, contests and tapesponding, video tape recording, sports, space. Have visited 35 states including Hawaii. First learned of NASWA via PE magazine."

Otto Schilling, 1109 N.35th Street, Phoenix, Arizona 85008. "Age is 70, I am married am an accountant. Rx is a National NC-190 with a Mosley SW7 antenna. Although quite interested in the hobby, I am somewhat hampered by hearing defect. Other of my interests are photography and gardening. Heard of NASWA and joined on recommendation of friend/member Bill Sparks, San Francisco, California."

Allen H. Dixon, 2115 So. Edgemoor, Wichita, Kansas 67218. "This is my second "go" at DXing after a layoff of about 15 years. Presently using a Knight R55A and a 100' longwire. Am 48, married and am Supervisor for Boeing Aircraft Co. Interested in contests, awards, also amateur weather forecasting, fishing. Am member of NNRC. Read of NASWA in recent edition of Electronics Illustrated magazine."

David J. Askine, 130 Dexter Drive, Beckley, W.Va., 25801. "About 12 years ago was very active in the hobby, but due college, marriage, moving, etc., the 90 QSLs I had have long been "misplaced", lost in the shuffling. Am now starting all over again! Age is 32, am married and vocation is music director. Presently using a GR-54 rx with an HD-20 added. Antenna is indoor rod type. I am interested in awards, contests, also music and photography. Read about NASWA in current World Radio Handbook."

Bill Peace, 172 Beal Road, Waltham, Mass. 02154. "Attending 11th grade, I am sixteen years old. Have been DXing for about 5 years. Equipment includes a BC-348, Zenith Transoceanic, RK-55 recorder; Antenna is a 50' longwire. Am interested in contests, awards, stamps, fishing and photography. Belong to RCSWC and am PE monitor. I have 60 QSLs to date. Read about NASWA in Popular Electronics magazine."

Mike McPherson, 1807 Exchange Street, Keokuk, Iowa 52632. "Using a Heath GR-54 and a 200' inverted L longwire. Am currently in highschool (11th grade) and am 17. Enjoy the SWling hobby and am also working towards novice ham ticket. Interested in cardswaps, awards, contests and sports. Am member of NNRC and RNYWLC. First heard about NASWA in the 1967 edition of PE Communications Handbook."

Barry C. Williams, 4 Kay Drive, Blockhouse Bay, Auckland 7, New Zealand. "Married, 30 and employed as sales representative, I have been DXing since '51. Receiver is a model 680X Eddystone, antenna is a 200x30' omnidirectional. Am interested in SW propagation, low frequency antennae, also water sports, soccer, stamps and electronics. Am a member of NZDXL, also am ARO (Z1LACZ) but quite inactive. All told, have over 1600 QSLs. Now join NASWA after hearing of it via friend/member Don Jensen."

D.P.Rathke, P.O.Box 191, Alamo, California 94507. "Read of NASWA in current WRTH. Am married, 46 and a mechanical engineer. Rx is a Drake R4A, antenna an SW7 dipole.

New Members, continued...

George Vioto, Box 267, Balboa Heights, Canal Zone. "Have been interested in SWLing and DX since I first came to this location from New York 23 years ago. Am married, age is 46 and I am Chief of the Panama Canal Transportation Branch. Recently obtained a new Drake R4A receiver which I use now; Also have a Zenith 3000-1. Antenna is a vertical. Heretofore had not been interested much in QSLs, but am now beginning to take more action therewith. Am also quite interested in awards. Belong to RNYWLC and NNRC. Hold and held offices at all levels of American Legion, local, state and national. Pleased to be part of NASWA which I first read of in Communications Handbook."

Stephen D. Pelletier, 345 Salem Street, Andover, Mass. 01810. "I have been a radio and electronics fan since an early age and have earned several awards in these fields as well as in athletics. Am 14 and a highschool student. My receiver is a Haeth GR-64 and I use a longwire antenna. Other gear is a GD-125 Q-multiplier. Am interested in awards, contests, astronomy, biology, sports(football, track) and hiking. So far I have QSLs from 16 countries. Read about NASWA in PE Comm. Handbook."

William P. Frank, 507 Bedford Street, Cumberland, Maryland 21502. "I am a pastor, 38, married. New to the SWLing hobby. Receiver is a Knight "StarRoamer", antenna is an inverted L. Other equipment is a tape recorder. Am somewhat interested in awards and contests, also in reading, wood carving and hi-fi. Am a native of Cleveland, Ohio, attended college there and seminary in Kentucky. Read of NASWA in PE magazine."

Harley J. Shelley, 802 South Steele, Tacoma, Washington 98405. "I am just a beginner at SWLing but much enthused. Age is 37, I am married and vocation is in traffic mgmt. My receiver is a GE "World Monitor" and I employ a whip-type antenna. Am interested in contests, awards. Other interest is in horse-back riding. Recently moved here from Boise, Idaho. Hope to become quite active. Read of NASWA in Communications Handbook."

Richard G. Barker, One Forest Avenue, Rye, New York 10580. "President of my schools Radio and Astronomy Club, I am 14 and in 9th grade. Set up includes an S-120 Hallicrafter and a 142G Magnavox, also an HE-20D CB rig and an antenna matcher. Antennae are a 56' longwire, 159' longwire and a 3' loop. Am interested in awards, contests, card-swaps, astronomy and electronics. Read about NASWA in S-9 magazine."

Edward C. Shaw, 2401 Brambleton S.W., Roanoke, Virginia 24015. "First began SWLing in Sept. '66 with a self-assembled Knight "StarRoamer", now use a Hallicrafters SX-130. Use 2 window half-wave dipole antennae. Other gear is Sony taperecorder, model 123. Interested in awards, contests, cardswaps, tapesponding and astronomy. Have 97 countries logged, 63 verified so far. Am WPE4JHP, belong to RCSWC and RNYWLC. Welcome the opportunity to join NASWA which I heard of via "word of mouth", read of in PE."

Donald J. Kenney, P.O.Box 1668, Santa Monica, Calif. 90406. "I am 28, single and work as a computer programmer. First started SWLing in '54 and now interested in all phases of DXing. Also like to build equipment(which rarely works!) Using a Hallicrafters SX-42 at present with mechanical filter, Q-multiplier and an extra IF stage. Also have a 100kc crystal calibrator. Antenna is a 10' vertical. Am interested in contests, awards, reading, traveling. Belong to NRC, NNRC and ASWLC. Read of NASWA in PE."

Henry Michalenska, 14 Brook Street, Central Falls, Rhode Island 02863. "I am a 14 year old 9th grader whose ambition is to become a radioman in the USAF. My receiver is a 15 transistor Realtone 4597 w/AC'dapter and I use a whip antenna. So far I have 32 QSLs. Am interested in awards, contests, stamps, coins, postal cards and pool. NASWA is my first club and I learned of it via various magazines and books."

Jack L. Burgess, Danville, Iowa 52623. "New at the hobby, I am 31, married and Administrator of Nursing Home. Presently using a Sears receiver, but plan getting new/better set soon. Antenna is a longwire. Am interested in awards, contests and electronics. Read about NASWA in reply to letter of inquiry I sent ARRL."

W.W. Mosby, 145 Sunol Street, San Jose, California 95126. "I'm 32, married and I am a trucker. Originally from the Philippine Islands, I have spent seven years in the U.S. Marines. Been interested in SWLing for about 3 years and presently use a BC-639 and a Hallicrafters S38B and Hammarlund HQ170. Antenna is a 35' random. Am interested in awards, contests, cardswaps, also ham radio. Might mention that my wife is also much interested in SWLing. First read about NASWA in Popular Electronics."

New Members, cont'd...

Stanley D. Mayo, 36 Greeley Street, Portland, Maine 04102. "A Service Mgr. and Major Appliance Distributor, I am 52 and married. Began SWLing in '31 when I also held a ham ticket (WLDIN). Started DXing seriously in '65, using an HQ-150 and after three months, bought an HQ-180A which I have never regretted. Antenna system; I have a crank-up tilt tower over 40' high and a guyed 40' mast. #1 ant. is coax tapped to tower 8' from ground (for impedance match) for 45' vertical #2 is a 9' vertical on house roof #3 is an SWL7 Mosley dipole Nw/Se. #4 is RD5 Mosley and #5 is a 90' longwire L-shaped N/S. All are coax fed w/Dow Key switch at rx. Other equipment are a BC221 freq meter, VTVM oscilloscope and two tape recorders. Am interested in awards, sport car events. Belong to the NNRC and RNYWLC. Listening is somewhat impaired by hearing problem due nerve deafness, but is helped by my using Koss "pro" headphones. Read about NASWA in various publications and joined on recommendation of friend/member Roger Camire."

Thomas Williamson, #6 3515 Havenwood Drive, Cooksville, Ont., Canada. "Originally from the U.K. (came to Canada last November) I have been interested in DXing since 1936. I am 43, married, have four children and am a specialist in Laboratory Medicine. Rx is a Hammarlund HQ-180, antenna is a vertical. Other gear is a Ferrograph tape recorder. I am interested in awards, tapesponding and stamps. Belong to the TIKC (Sweden). My main DX interest is Latin America. SW conditions here, as compared to those in England, are marvelous. Read about NASWA in current World Radio-TV Handbook."

Mark Mitchell, 7223 Valley Brook Road, Birmingham, Michigan 48010. "I am 14 years old, attend Junior Highschool. Have been an SWL for about a year, but am just beginning to collect QSLs. My receiver is a Lafayette HA-63, antenna is a doublet. Other equipment is a Heathkit crystal calibrator. I am interested in awards, also photography. NASWA is my first club and I learned of it via PE., Communications Handbook!"

Richard "Duke" DuShane, 6576 N. Dort Hwy, Lot #57, Flint, Michigan 48505. "Interest in SWLing began about seven months ago. Use a Heath GR-64 and Q-multiplier; Antenna is a 60' inverted L. Am married, 26, and work for General Motors Inst. Interested in awards, contests, also electronics and reading. So far have logged 19 countries, verified 13. I DX on both SW and BCB, also enjoy copying CW (30wpm on typewriter). Read of NASWA in PE!"

Michael White, 801 Scottwood, Pontiac, Michigan 48058. "I guess you could say I'm a humble man interested in complex things. One of the finest of these is my adventures in SWLing. Although I am a newcomer to the hobby, I find it most enjoyable. Receiver is a Knight StarRoamer; Antenna is a 150' longwire. Am married, 21 and employed by GMC. My interests center on QSLs, awards, contests and electronics, archeology, history. NASWA is my first club and I learned of it via EI magazine."

Mrs. Karen Mindermann, 35778 Lake Shore Blvd., Eastlake, Ohio 44094. "As the wife of a Research Electronics Technician, I enjoy making use of the receivers which my husband assembles for experimental purposes. Present receiver is a homebrew and I use an inverted "V" longwire and a vertical antenna. Am interested in cardswaps, contests, awards, also photography and sports car racing. Read about NASWA in '67 Comm. Handbook."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

: : : : : : : : : : :

Tom Neely, 4955 Firestone, Dearborn, Michigan 48126. "I am 16, attend highschool and use a Grundig 4750. Have been DXing for $1\frac{1}{2}$ years; HIC 84, VIC 50 to date. Antenna is an inverted L 90' long, 30' high. Am interested in collecting QSLs and stamps. I am a member of FDXCI. Read about NASWA in current WRTH."

Charles Reisinger, 29 D Street, Beaver, Penna. 15009. "Began DXing with a Zenith Trans-Oceanic, now have a Lafayette HA230. Antenna is a 100' longwire. Married, have two jr. ops, and am employed as a Conductor for PRR. Interested in awards, contests, baseball and photography; Also am CBER KIC5368. NASWA is my first club and I read of it in PE."

Robert Hampton, 1619 E. 9th Street, Des Moines, Iowa 50316. "Now taking up where I left off some 17 years ago when I was member of NNRC and NRC. I am 65, married and retired. Rx at present is a Lafayette HA700, antenna is a 100' longwire. Aside from SWling, I am interested in cardswaps, repairing radios and phono's. Read of NASWA in Comm.Hndbk."

Donald Anthony, 120 Miller Avenue, Meriden, Conn. 06450. "Have been SWling a little over a month. Rx is a Hallicrafters S41W model H; Antenna is a 30' indoor longwire. I am interested in awards, contests and record collecting. Age is 13 and I am student in Junior Highschool. So far have logged 18 countries, but have recvd no QSLs yet. Learned about NASWA from a friend. It is my first club."

Dennis Hendrickson, Route 1 Box 141, Newberry, Michigan 49868. "Am 26 and a newcomer to DXing. Presently a student of NRI, am hopeful of future in electronics. Now work at local gas company. My receiver is an old MW tri-bander which I have connected to the TV antenna. Am interested in awards, contests, also stamp collecting, agate hunting and traveling. Heard about NASWA via Electronics Illustrated magazine."

Al Rasmussen, 267 Cliff Street, Cliffside Park, N.J. 07010. "Coming back to the hobby after a 2 year layoff, I use a Hallicrafters WR600 with a 75' indoor longwire. Other gear is a Lucor tape recorder, model 561B. I am 16, single and presently engaged in furthering my education. Am interested in contests, awards, QSLs, stamps, coins, chess and locksmithing. Read of NASWA in PE Communications Handbook."

Walter D. Moore, Jr., P.O.Box 217, Oneonta, New York 13820. "Am a physician, married, age is 42. My radio monitoring interests are equally divided between BCB and SWBC. I use a Zenith 3000 rx and employ whip antenna. Am originally from Texas. Aside from DX, I am also interested in photography. Belong to the NRC. Learned of NASWA via WRTH."

Edmond Drumm, Jr., 14 Dale Road, Wethersfield, Conn. 06109. "I am 22, single and my vocation is school teaching. Have been DXing since early '61, mainly BCB, but have now also become interested in SWBC. Rx is a National NCL73, antenna is a 50' longwire. I also use a Realistic 770 tape recorder. Am interested in awards, contests, cardswaps, tapesponding, photography and antique auto's. Am a member of NRC. First heard of NASWA a long time back via friends/members including Bill Eddings."

Byron Ross, Route 1, Ijamsville, Maryland 21754. "I am a negro 43 years of age, married and work as a lab technician for the U.S. Dept. of Defense. Have been interested in DX and SW since '32. Held novice ARO ticket a year or so ago, but let it lapse being I favor SWling more so. Present setup includes a Hallicrafters S53A, Heathkit GR-54 and Realtone 11-band. Antenna is a longwire. Interested in awards, contests and electronics. NASWA is my first club and I read about it in '67 Communications Handbook."

Mark Lorenz, 320 30th Street S.E., Cedar Rapids, Iowa 52403. "After having been one of the more casual SWLs for about four years, I am now beginning to take more serious interest in DXing and have recently sent my first reception report. I am 18, a high school grad. My setup includes a Hallicrafters S53A, Lafayette HA225, antenna is a 50' longwire. Other equipment includes a 200c audio oscillator and a signal tracer. Being a member of the BSOA, locally affiliated w/Collins Radio, have access to test equipment. Am interested in awards, contests, sports and electronics. Read of NASWA in WRTH."

Henry McLeod, P.O.Box 126, Perry, Florida 32347. "Read of NASWA in recent Citizens Band Journal. Am somewhat new to SWLing. Use a Hammarlund HQ-170 with a Zenith Trans-Oceanic as standby. Antenna is a longwire. Interests center on QSLs, awards and card-swapping. Other interests/hobby is in radio repair. Age is 27 and I am single."

Larry Hastie, 406 Midway, Baytown, Texas 77520.. "I am fourteen and in Junior HS. My rx is a Monarch H-1 and my antenna is an inverted L-shaped longwire. I am interested in contests, awards, stamps and coins. Belong to the ISWL. Learned about NASWA from EI magazine. I enjoy SWBC DXing and utilities. Have seven QSLs so far."

Charles Milhans III, 4019 Alturas St.W, Tacoma, Washington 98466. "I've been DXing since Sept. '66. Use a Hallicrafters SX-110 and a Zenith 1103. Antennae are a 90' dipole, 31 meter window and 100 Marconi. Am interested in QSLs, awards, contests, also stamps, coins, rocks, astronomy and all sciences. Age is 16 and I am a highschool student. Am member of ASWLC, FDXC* WDXC* RNYWLC, RCDXC, RPDXC, ICDXC, RBSWC. (*am MW Editor of). First learned about NASWA via Marten van Delft/Benelux DX Club, Holland."

Joseph Stalinski, 31513 St.Margaret Dr., St. Clair Shores, Mich. 48082. "Am 53, married and am a printer by vocation. Rx is a National NC-121 and I use a vertical antenna. I am interested in awards, contests, cardswaps, also astronomy and stamps. Heard about NASWA via the SWL Guide and join it as my first club."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

Nuno Viegas Vaz, Caixa Postal 3311, Luanda, Angola. "Although only in the hobby for just six months, I am becoming very interested. My receiver is a Trio 9R-59 and I use a doublet antenna. Age is 33 and I am an insurance inspector by vocation. An single. Have sixteen QSLs so far. Belong to ISWL, RSGB and RNYWSWLC. Interested in contests, awards, also traveling. Learned about NASWA via WRTH."

Michael Mochizuki, 2365A Palolo Avenue, Honolulu, Hawaii 96816 "Began in hobby about 3½ months ago and have 17 QSLs to date. I use a Hallicrafters S-120 rx and a 75' long-wire antenna. Am 16, highschool student. Interested in stamps, AROing, cardswapping, as well as awards and contests. Member of ARRL and NNRC. Read about NASWA in the '67 edition of Communications Handbook published by PE."

Gordon P. Nelson, 19 Irma Avenue, Watertown, Mass. 02172 "Was active on SWBC 1954-58 when I was editor for URDXC and during which time I QSL'd 131 countries. Took up MW/BCB in '63 and have 116 QSLs herefrom thus far. Currently serving as NRC International editor. Rx is a homebrew as is most other of my very specialized gear. Antenna setup includes a loop, Adcock SW and various random wires. Main interests center on the technical aspects of DXing, rx and antenna design, direction finding and computer prediction of reception. Also interested in cryptanalysis. Am 25, married and teach at MIT. Join NASWA after first hearing of it via friend/member Don Jensen."

William A. Matthews, 222 Hodgson Avenue, Houston, Penna. 15342 "Began DXing in 1963. Present receiver is a Knight R-100A with a Zenith M722 also on hand. Antenna is a 23m longwire. Other gear in shack is a VM Tape recorder, model 750. Age is 20, an college student, single. Interested in awards, contests, stamps, science fiction and do some/limited taping. Am member of BDXC, RCDXC, WCCGB and FDXCI. Hold third-class RT license. Join NASWA after hearing of it via Bill Eddings."

Robert E. March, 2571 Millstream Road, Victoria, B.C., Canada. "Am 28, married and my vocation is building contractor. Have been SWLing for about a year, use a Marconi CSR5 rx and a 50' longwire antenna. Have 85 QSLs to date. Am interested in contests, awards, electronics and pen pals. Read about NASWA in PE Communications Handbook."

Arthur A. Seivers, 402 Kratz Road, Monticello, Illinois 61856 "A student at ISU, an single, 20 and just starting in the SWL hobby. Receiver is a Realistic DX-7S and I use a Hygain SW-6 antenna. Am interested in Social Science (my major in college) and model railroading. Belong to NNRC. Read of NASWA in Poptronics magazine."

Michael Rude, 2105 Redondela Drive, San Pedro, Calif. 90732 "Am an ARO (WN6VTP) very interested in SWLing. Age is 15 and I am in highschool. Rx is a Haethkit GR-64 and my antenna is a 70' L shaped longwire, and 15m bean. Interested in awards, contests, astronomy and science fiction. Am member of EIDX. Read of NASWA in WRTH and EI nag."

Louis H. Fried, 101 N. Craig, Apt. 2, Pasadena, Calif. 91107 "Am 22, married, full time college student majoring in history, with physical ed minor. Rx is a Zenith TransOceanic and I use a longwire antenna. Am newcomer to hobby of SWLing. NASWA is my first club and I read about it in the PE Communications Handbook."

Ralph Washofsky, 226 Elmwood Drive, Lafayette, Louisiana 70501 "An attorney by profession, I am married, 37, have two children. New to the hobby. Rx is a Knight StarRoaner and antenna is a longwire. Am a member of NRC. Read about NASWA in recent PE nag."

James McColley, Route 2 Box 127K, Orange, Virginia 22960 "I am 16 and in tenth grade. Just starting in the hobby. Use a Hallicrafters S-120 and a 75' longwire. Interested in contests, awards, also on track team and in school band. Plan to begin cardswapping in future. Join NASWA after hearing of it via friend/member Danny Janison."

Robert Hagerman, 475 Wilson Street, Henlock, Michigan 48226 "Began SWLing in '64, Am 15, in 10th grade. Have QSL'd 42 countries so far. Equipment includes Knight StarRoaner, Eico VOM, Haethkit Q-multiplier, Lafayette RK-142 tape recorder. (cont'd. next page)

NASWA-FRENDEX

HDQ

AUGUST 1967

New Members, cont'd...

The antenna I use is a fan type, five element. I am interested in awards, contests, cardswaps, tapesponding, also collect stamps and coins. Heard about NASWA from Dick Jennen and Ed Shaw. Am much enthused about being a fellow-member."

David L. Mayes, 255 N. Portage Path, Apt. 208, Akron, Ohio 44303 "Wanting to increase my understanding of world affairs, I have decided to take up SWL hobby. I am 25, single, college grad and presently working as research engineer. Although I have no appreciable receiver now, I plan on purchasing new one soon, become an active member. Other of my interests are photography and sports cars. Learned about NASWA via WRTH."

George V. Roberts, 34 Clyde Street, Newtonville, Mass. 02160 "Became interested in the hobby while serving with the U.S. Coast Guard and have now been an active SWL for about four months. Am 23, single, and employed at Raytheon. Use a RBM-5 (USN Surplus) and a Zenith M660 as rx's, and a 100' longwire antenna. Have QSL'd 15 of the 16 countries logged so far. NASWA recommended to me by Wayne Segal, former head of DXI."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

- Kai Nieminen, Kiviportintie 31, Helsinki, Finland. "I am an 18 year old high school student and have been SWLing since 1963. My rx is a Lafayette HE-80 and I use a long-wire antenna. Am interested in awards, contests, cardswaps, also music. My favorite DX area is Latin America. First learned of NASWA via bulletin of Soumen DX-Kuunteniija (Finnish club) of which I am a member, also via WRTH."
- Bob Wigelsworth, 885 Adelaide St., London, Ont., Canada. "I have been SWLing for three years. Am26, single and work as an order clerk. My rx is a Hallicrafters SW-500 and my antenna is a 50' longwire. Am interested in contests, awards, cardswaps and ice-hockey. Read about NASWA in current edition of PE Communication Handbook."
- Jon H. Kong, 22129 South Garden Ave., Hayward, Calif. 94541. "Born in China, I came to USA in '58. My age is 19, I am single and work as electronics mechanic. Equipment used is Heathkit GR-54 and Lafayette HA-230; Antenna is HyGain model SWO. Am interested in awards, contests, also Hi-Fi. Read of NASWA in PE Comm. Handbook."
- Philip J. Wanat, MSG.American Embassy-Madrid, APO New York 09285. "In the US Marines, serving w/Security Guard here. Am 23, single. Rx is a Normende portable (15 bands) and use a Heathkit GR-54 as standby. Antenna is a 75' longwire. Am interested in contests, awards, kit building and AROing. Belong to NNRC and ASWLC. First learned about NASWA via one of the national communications magazines."
- Gary Galo, 85 Olymplus Road, Proctor, Vermont 05765. "Am 16 and a junior in highschool. Been an SWL for over 2 years. Use a Knightkit StarRoamer and a longwire antenna. Am interested in awards, contests, also music (piano, conducting, composition). Am member of RCSWC and RNYWWSWC. Read about NASWA in '67 WRTH."
- Douglas Rathke, P.O.Box 191, Alamo, Calif. 94507. "Originally from England. Am married, 47 and a mechanical engineer. Use a Drake R4A and a C.R.100; Antenna is Mosley SWL-7. Other hobby interests are in TV repair and model railroading. Belong to NNRC and ISWL. First learned about NASWA via World Rdio-TV Handbook."
- D.L.Bechard, P.O.Box 107, Chicago Heights, Illinois 60411. "Married, age is a young 40 and am a professional photographer. Served with USN during WWII, presently Director of photo services for Star Publications Inc. Rx is a National HRC-50TI, antenna is a 100' longwire. Other gear includes an Ampro and a Morelco tape recorders. Interested in awards, contests, also trap and skeet shooting. Am member of RNYWWSWC. Read about NASWA in Popular Electronics Communications Handbook."
- Gary Psota, 166 JFK Blvd., Somerset, New Jersey 08873. "Am a freshman in highschool, age is 15. I began DXing because of my fathers interest in radio. Present rx is a Hammarlund HQ-100; Antenna is a 30' longwire. I also have a Sony tape recorder. Interested in awards, contests, hamming, aviation and electronics. Belong to RPMC and am registered WPE. First read about NASWA in Radio-TV Experimenter magazine."
- Harry Pariser, 27 Judith Street, Uniontown, Penna. 15401. "Am 13, entering freshman year in highschool and am a bachelor. My rx is a National NC-77X, antenna is an 8 element beam. Other findings in shack are a 24 hour clock and Channel Master tape recorder. I am interested in awards, also electronics and tapesponding. Read of NASWA in WRTH."
- Robert McClain, 1095 Seena Avenue, Los Altos, Calif. 94022. "Am 16 and a junior in high-school. Use a Lafayette HA-226 rx and a 100' longwire antenna. Other DXing aids are a 24 hr clock and a taperecorder. Interested in awards, contests, also boating, water-skiing and boat building. Read about NASWA in '67 PE Comm. Handbook."
- Richard Bywater, 2406 Clarendon Ave., Louisville, Ky. 40205. "A 16 year old junior in highschool, I have been SWLing for about 4 years...have been questing QSLs for 1 year. Rx is a Hallicrafters S-118, antenna is a multiple tuned dipole. Interested in awards, contests, also astronomy, mathmatics and aerospace. NASWA is my first club, read about

*New Members, cont'd...

it in PE Communications Handbook, and chose it after "scouting" other clubs."

Audie Kaufman, 3000 Ocean Parkway-Al7T, Brooklyn, New York 11235. "Am 18, attending Brooklyn College, hope to get degree in Math. Have been interested in SWLing for about a year. Equipment includes Hallicrafters SX-130, Zenith M660A and a Panasonic RS-755S taperecorder. Antenna is a 35' longwire. Am interested in contests, awards, cardswaps, partaking in tapesponding, and astronomy. Am member of NNRC. Read about NASWA in PE Communications Handbook and am pleased to be aboard."

Michael D. Smith, 6968 N.Owen Avenue, Chicago, Illinois 60631. "Iam 16 and have been SWLing for about 3 years. My rx is a Grundig-4070 and I use a 100' longwire antenna. Also have a Roberts 1630 tape recorder. Am interested in contests, awards, philately, chess. Belong to NNRC and RNYWWLC. Presently am a junior in highschool. My first real contact w/NASWA was at the '67 ANARC convention in Chicago."

Richard F. Walsh, 204 Banks Street, Cambridge, Mass. 02138. "Using a National NC-77X and a Korting 7 tube rx(s) with a 50' longwire antenna, I have rcvd 25 QSLs in the past 4 months. Age is 49, am married, have a six year old son, and am in accounting field. Interested in awards, contests, music(organ) and camping. Read of NASWA in WRTH."

B.R.Robertson, 23A Poplar Road, West Hill, Ont., Canada. "I am 34, married and teach Geography. I feel that the SWL/DX hobby will aid me in learning more about the countries of the world. My receiver is a Westinghouse "International" and antenna is a longwire. I find Friendx contains info, not readily found in newspapers/periodicals, that I can pass along to my students. Read of NASWA in recent Electronics magazine."

Donald J. Weber, 2169 Walter Road, Westlake, Ohio 44091. "Family-man, aged 37 and am in the credit field. Rx is a Hallicrafters WR-600, antenna is a longwire. To date have 90 QSLs. Other than SWLing/DXing and questing QSLs, am interested in philately and studying history. NASWA is my first club and I read of it in magazine."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

Iain T. Paterson, Carstairs Hospital, Carstairs Junction, Nanakrshire, Scotland. "Am a hospital patient, age is 38 and I am unmarried. Have since 1964, been interested in SWLing. Use an Eddystone (ECIO) receiver and a 40' longwire antenna. Am interested in awards, contests, cardswapping, also in woodburning and budgies. Am a member of WIDXA, also CBC, WNYW and R. Prague radio clubs. Serving as feature editor for WIDXA. Became informed of NASWA via the WRTH and the WIDXA bulletin."

Matti Jaakelainen, Kauppala, Ikaalinen, Finland. "I have been a DXer since 1962 and to date have 200 QSLs overall. I use an Eddystone 840C receiver with a Magnetofon as a standby. Antenna is a simple longwire. Am intereted in awards, contests, stamps and pennants, also music of LA countries. Age is 21 and I am presently attending University where I am studying pharmacy. Am a member of Suomen DX*Kuuntelijat where I learned about NASWA, but I first read of it in WRTH sometime ago."

Leonard McWilliams, 621 $\frac{1}{2}$ Crestmoore Place, Venice, Calif. 90291. "Rather new to the hobby, I am primarily interested in SWLing. My rx is an HQ-145, antenna is a Mosley SWL-7. Am 25, single and a computer operator. Hve had 5 yrs in University studying zoology and philosophy. Interests center on classical and flamenco guitar, international politics, Balkan dances and learning about other peoples/countries. Just began QSL questing and rcvd first, it being from Albania. Read of NASWA in WRTH."

Clifford Duncan, Box 251, Cut Knife, Sask., Canada. "Am 39, married w/4 junior ops. I farm, also drive school bus. Set up here includes a Trio 9R59, wavemeter, taperecorder, crystal calibrator. Antenna is a 50' inverted L. Am interested in contests, awards, also photography and in getting a ham ticket. Am member of ISWC and ICDXC. Learned about NASWA in "How to Listen to the World" publication."

Dan Ferguson, University of Miami, Coral Gables; Florida 33124. "Will become a father this month! Am 25, married and working on Ph.D. in math. Have been interested in SWLing for about 10 years. Presently use a Knight R-100 and a 10' vertical antenna. Other shack gear is a tape recorder. Belong to NNRC. Read of NASWA in WRTH."

Steve Kamp, 2639 Avenida Loop, Irving, Texas 75060. "Am 11 years old and attend 6th grade. Have been DXing for 5 months now and have QSLs from 30 countries. Rx is an HQ-140 and antenna is a longwire. Am interested in awards, contests, also fishing, stamps, TV DXing and sports. Read about NASWA in PE Comm. Handbook and join on recommendation of my brother Mike who is already a member of the club."

Larry Zamora, 3119 Kennedy Lane, Texarkana, Texas 75501. "I am 16 and in highschool. I Began SWLing in 1966 having received my first rx for Xmas...it is a Regency WT4. My antenna is a Trik-Stik. Other gear is an antenna tuner and a tape recorder. Interested in contests, awards, also model rocketry, stamps. Am a member of the R. Canada Shortwave Club. Learned about NASWA in Communications Handbook."

Bruce Seigle, 2140 Lancashire Ave., Louisville, Kentucky 40205. "Preferring SWLing over DXing, I have been in the hobby since last year. Am a highschool student, 16. Receiver is a Lafayette HA-700 and I use both a tuned multiple dipole and a vertical antenna. I have 31 QSLs to date. Interested in awards, contests, also swimming and electronics. NASWA is my first club and I learned of it via a friend."

Barrie Brown, 201 Laval Blvd., Ste. Rose, Cite de Laval, Quebec, Canada. "Am single and in highschool. Having been a compulsive knob-twister with an interest in electronics for sometime, I now decided to take up DXing. Presently use a Heathkit GR-64 and a 100' longwire antenna. Am interested in contests, awards, also photography and folk music. Also plan to begin cardswapping in near future. Read about NASWA in RIVE magazine."

Bruce Klemens, 15 Harrington Road, Clifton, New Jersey 07012. "Attending Newark College of Engineering, I am single, age is 18. Rx is a Hallicrafters S-200. (cont'd. next page)

Antenna is a Mosley SWL-7. Have 41 QSLs to date. Am interested in awards, contests, also fishing, weightlifting, stamps and accordian. Belong to WNYW Listeners Club. Read about NASWA in '67 Communications Handbook, PE."

Herbert Foster, P.O.Box 547, Kalaheo, Kauai, Hawaii 96741. "Married, age 47, am an electronics technician. Rx is a Hammarlund HQ-180 and I use a Heath "Mohican GC-1A" as standby. Antenna is a Marconi 100'. Other gear includes a tape recorder. Interested in awards, contests, cardswaps, also printing, astronomy, photography and chess. Am member of R.Canada SW Club. Join NASWA on recommendation from Mike Mochizuki."

William Kenney, 3276 Veteran Avenue, Los Angeles, Calif. 90034. "Have been an SWL for about 2 years. Age is 16, I am single and in highschool. My receiver is a Hammarlund HQ-100 and I use a Mosley SWL-7 antenna. So far I have 60 QSLs. Am interested in both contests and awards. Belong to ASWLC. Learned about NASWA via Radio Nederland "DX Juke-Box" program produced by H. van Gelder, announced by Glenn Hauser."

Rod Williams, 8 Bellmeade Drive, Rossville, Georgia 30741. "A sales representative for WBRI, I am married and 29. Equipment used includes a Drake SW4, a Nordmende "Globe-Traveler" and an Autovox SW converter. Antenna is pair of Mosley SWL-7s. Interested in contests and awards. Have 64 QSLs rcvd to date. Am member of WNYW Listeners Club and am on monitoring panel of RSA. Heard of NASWA via "DX Jukebox", Radio Nederland."

Hope (Mrs.Dennis) Ehn, 329 Harvard Street, #14, Cambridge, Mass. 02139. "A newcomer to the hobby, I am married, age is 25. My receiver is a Realistic DX-150 and for antenna I have wire tapped to master TV antenna of the apartment building where I reside. To date have only 6 QSLs, but have 25 reports out. Am interested in awards and contests. Read about NASWA in the '67 Communications Handbook."

Don Billingsley, 2631 27th Street, Apt.2, Sacramento, Calif. 95818. "Single, 26 and area manager-sales office, also attending Law school, I enjoy DXing the more obscure stations. Rx is a Collins 51S-1, antenna is a Newtronics CD-40/70 and a HyGain TH3MK2 on an electric rotator 60 and 50' above ground. Other gear is a Sony TC200 recorder. Am interested in awards, contests, also sports cars and corresponding. Belong to ASWLC. Join NASWA, it being recommended to me by friend/member Bill Sparks."

Douglas Wise, 76 Prospect Street, Tiffin, Ohio 44883. "I am 17, single and in high school. Have been DXing for about a year. My receiver is a Knight R55A, and I also use a Lafayette HA225 and Hallicrafters S40A. Other equipment includes a Knight T60, Heath AT-1 and Kuhn 357C. Antenna are a VHF G.P., 40' longwire and 15m inverted. I am ARO with call WN8VXS. Have 34 QSLs so far, prize that de R.Vilnius most. Interested in awards, contests, also karate, judo, science fiction, model rockets, model cars, card-swaps. Read about NASWA in S9 magazine and Comm. Handbook."

George Pollard, 38A Foster Drive, Elgin AFB, Florida 32542. "Am 32, married and have been in the USAF for 14 years. Have been interested in DXing for long time, but only recently began questing QSLs and decided to join a club. Rx at present is a Heathkit GR81, antenna is a longwire and a whip. Am interested in awards, contests, cardswaps. NASWA is my first club and I read of it in PE Comm. Handbook."

Steven Cohen, 53 Ledgewood Drive, Norwalk, Conn. 06850. "I am 14 and in highschool. Began DXing last March when I rcvd my Realistic DX-75 for my birthday, but have only recently taken active interest in QSLs. Antenna is an indoor longwire, but I plan to have an outdoor type soon. Am interested in contests, awards, stamps and chess. Read about NASWA in recent Electronics Illustrated magazine."

Paul Mayo, 2409 Ocean Parkway, Brooklyn, New York 11235. "Been DXing off and on for about 4 years. I am 17 and a highschool student. My rx is a Hammarlund HQ-180AC, also have a Knight "StarRoamer". Antenna is a Mosley SWL-7 and a 100' longwire. Total QSLs to date 113, favorite being de Taiwan. Am interested in awards, contests, stamps, also baseball and basketball. Am member of NNRC, WNYW Listeners Club, EIDX and ARRL. Read about NASWA in the 1967 edition of Communications Handbook."

Carl S. Marx, 411 Toronto Street, St. Paul, Minnesota 55102. "Married, have 4 sons and 3 daughters, am 39 and a truck driver by vocation. Rx is a National HRO(M), antenna is a HyGain SW6. Am a CBer (KLF1859) and just beginning in SWL/DXing. No particular interests at present, until I become familiar with hobby. Read about NASWA in PE mag."

(More new members on next page!)

New Members, cont'd....

Robert Metzger, 62-38 82nd Street, Middle Village, New York 11379. "I am 15 and am a senior in highschool. Rx is a Heathkit GR64 and I use an indoor 12' longwire antenna. Have been SWLing for about a year now. Recently added a Q-multiplier, GD-125 to my rx. Other gear is a Lafayette RK860 tape recorder. Am interested in awards, contests and also cardswaps and tapesponding if someone will be good enough to pass along some info on procedures. Am member of R.Canada SW Club. Read about NASWA in Poptronics."

Ross Harp Jr., P.O.Box 41160, Anchorage, Alaska 99503. "A Life Insurance Agent by vocation, I am married, 25. Rx is a Hallicrafters SX-96A, antenna is a longwire. Interested in awards, contests, also amateur radio and astronomy and aviation(comm. pilot). Am a member of NRC, IRCA, NNRC, ARRL and RSGB. Read of NASWA in WRTH."

Brad Goodman, 429 Debra Lane, Gahanna, Ohio 43020. "Have been in the hobby for two years. Am 14 and in highschool. Presently using a Martel Solonor (French made) rx, I have a Drake SW4A coming. Antenna is a longwire 60'. Am interested in awards, contests, also electronics. Belong to ARRL and WNYW Listeners Club. Read about NASWA in Comm.Handbook."

Richard Kessler, 18 West Street, Middleboro, Mass. 02346. "Have been interested in the hobby for over a year now. Am 17 and a highschool student. I use a Regency WT4 and a Zenith 26-265; Antenna is a Mosley SWL7. Interested in awards, contests, stamps and fishing. Have 39 QSLs so far. Am member of WNYWLC. Read about NASWA in PE and EI."

WELCOME NEW MEMBERS

(Applications received after
20th of month will be listed
in next months bulletin!)

* * * * *

Jack Weber, 19 Swift Lane, Crawley, Sussex, England. Age 17, highschool student. Rx is an National HRO-M, antenna is a 60' folded dipole. Other gear- Q-multiplier and two tape recorders. Interested primarily in LA DX, also in contests, electronics and the study of radio propagation. Member of Suomen DX-Kuuntelijat(Finland) and IRCA. Heard about NASWA from friend/member Richard E. Wood.

Brian Kruchoski, 1432 Bristol Avenue, Westchester, Illinois 60153. Highschool student, age 14. Equipment consists of Knight "StarRoamer", Heathkit "AR-3" and Q-multiplier. Antenna is a 135' longwire. Interested in awards, contests, photography, model rail-

roading, school band and baseball. Member of ARDXC. Heard of NASWA via friend/member. Marty Kane, 105 Wilshire Drive, Cranford, New Jersey 07016. Age 14, in highschool. Rx is a Realtone "Globepacer" w/Q-multiplier added. Antenna is a 310' bellwire. New at the hobby. Interested in awards, contests, chess. Member of NNRC. Read of NASWA in WRTH.

Charles Gaharan, 956 West Garfield, Baton Rouge, Louisiana 70802. Married, 23, attending LSU pursuing Masters Degree in English. Rx is a Zenith "Transoceanic Royal 3000-1" w/S-meter added. Antenna is an 8' vertical. Interested in awards, contests, stamps and reading. Member of RNYWLC. Read about NASWA in WRTH.

Paul Montefusco, 267 Newtown Avenue, Norwalk, Connecticut 06851. Age 13, in highschool. Rx is a Lafayette HA-63A with a GE portable as standby. Other gear is a tape recorder. Antenna is a 135' "U" shaped longwire. Member of ASWLC, NRC and other clubs, President of NEDXA. Interested in contests, awards, writing, sports, stamps, cardswaps, pop mx, and tapesponding. First heard of NASWA via PE magazine.

Herman Seep, 2205 South Holly St., Apt. 7, Denver, Colorado 80222. Married, age 59, a retired mechanical engineer, graduate of Cornell Univ. "Renewing hobby, started in '40, but neglected due to business rat-race. Beginning all over." Rx is Drake R4B with a Realistic DX-150 as standby. Antenna is 65' longwire. Interested in organ, hi-fi and taperecording. NASWA first club, read of it in PE.

Johnny Carson, Box 13, Julian, Pennsylvania 16844. Age 19, married, clerk by vocation. Uses Heathkit GR91 and Knight "SpaceSpanner" rx's; 60' longwire antenna. Interested in awards, contests, auto mechanics. New to hobby. Read of NASWA in PE Comm.Handbook.

Clarence Poole, 1736 Wilmington Avenue, Richmond, Virginia 23227. Married, 64, office supervisor. Monitor for Radio Japan for over 9 years. Equipment includes Hallicrafters SX-100, 2 Wollensak tape recorders. Antenna is Mosley SWL-7. Not interested in making name in hobby, but rather in furthering enjoyment in it. Interested in tapesponding. Former member of NNRC wherefrom read about NASWA.

Morrie Goldman, 8049 South Euclid Avenue, Chicago, Illinois 60617. Highschool senior, age 17. Gear includes Hallicrafters S-107, Swan 350, Heathkit Q-multiplier, Simpson VOM. Antennae include HyGain TH-3 beam and a dipole. An ARO (WA9RAQ). Member of CIDXC, NNRC and ARRL. Interested in contests, photography and fishing. Became interested in NASWA after hearing Don Jensen speak on clandestine stations at '67 ANARC convention.

Louis Procaccini, 94 Barbara Road, Drexel Hill, Pennsylvania 19026. Age 16, highschool senior. Rx is Hallicrafters S-120. Antenna a 72' longwire. Other gear is stereo tape recorder. Interested in cardswaps, tapesponding. Plan on new Lafayette PF-175 rx to be added to shack. Member of NNRC, ISWC and RCSWC. Read of NASWA in Comm.Handbook.

Martin Fogel, 2709 Tilbury Avenue, Pittsburgh, Pennsylvania 15217. In highschool, age 16. Rx is a Sharp FW-503; Antenna a 31" whip. Interested in awards, contests, stamps and chess. Been DXing for 2 years. Member of RCSWC and RPDXC. First read about NASWA in EI magazine.

(New Members cont'd next page)

Dennis Ondriska, 6609 South Kedvale Avenue, Chicago, Illinois 60629. Age 15, student in highschool. Rx is Knight "StarRoamer". Uses twin 50' parallel and 35' pyramid type antennae. Other gear is tape recorder. Interested in awards, contests, cardswaps and collecting auto license plates and coins. Member of WNYWLC, BBCWRC and RCSWC. Been an SWL for a year. Has 33 QSLs so far. Read about NASWA in PE magazine.

Clarence Loebel, 3024 North 77 Street, Milwaukee, Wisconsin 53222. Married, 57. Rx is a Hallicrafters SX-122, antenna is a dipole. "Starting in hobby again after 12 years is like starting in highschool without going to grade school." Interested in contests, awards, also sports. Learned about NASWA via WRTH and PE.

Kenneth Newman, 1312 Glenwood Road, Brooklyn, New York 11230. Highschool teacher by vocation, married, age is 29. Holds ARO call K2JLK. Uses Zenith Royal TransOceanic and Lafayette HE-40. Antenna is indoor whip. Read of NASWA in PE Communications Hndbk.

Robert Kapsch, 1114 Commerce Street, Rm. 425, Dallas, Texas 75202. Age 20, single, a Civil Engineer for USAF. Rx is Hallicrafters SX-99. Uses indoor antenna. "Been interested in SWBC for about 7 years but have been inactive past few because of overseas assignments. Now join NASWA, it being recommended to me by a friend."

Sanford Young, 2928 West 5th Street, Brooklyn, New York 11224. Age 16, in highschool. Rx is Knight "StarRoamer", antenna is 20' wire mounted around window frame. Interested in awards, contests, photography and electronics. Plans to add other equipment to aid DXing. Read about NASWA in Popular Electronics magazine.

Harry Smith, 2136 Erie Avenue, Springfield, Ohio 45505. Employed by International Harvester Company, age 25, married. Rx is Hammarlund HQ-140X. Other gear includes a Lafayette KT-320 and homebrew crystal calibrator, antenna tuner. Antenna is Mosley SWL-7. Interested in awards, contests, stamps, component stereo and electronics. Member of NNRC. Read about NASWA in PE magazine.

WELCOME NEW MEMBERS
