Some weeks ago I phoned to you to ask if my son John O. Snipes name had been spoken on the radio from Shanghai. Since then I am wondering if you have heard it, and if you have will you please phone me having the charges reversed? I have no short wave and do want to hear, about it when he is mentioned. Thank you so very much.

Dear Mr. Bailbi:

It is with gratitude that we acknowledge your card of September 28th. To have a brother a prisoner of War is to know what a message like yours means.

On Sept. 25th we received a letter from Oscar, stating he was well, etc. His letter was dated May 29th. It seems a great many letters have been received from the prisoners at this time, dated same as Oscar's and stating practically the same as he did.

Thanking you for your card, I am
Gratefully yours,

Kind Sir,

Received your card informing me of my husband having broadcast from Radio Tokio. I wish to thank you very kindly and do appreciate your interest.

The name was misspelled as my husband is James C. Rice. The address is right, and my husband is now a prisoner in Shanghai from Wake Island. I received a letter direct from him on September 26. Again I wish to thank you. Very Respectfully,
Mrs. James C. Rice.
