Dear Mr. Daneker,

This will verify your report on our Christmas morning broadcast.

Your card was of particular interest to me as we were working on a newly erected antenna and yours was the first report we have had since the antenna was put into service.

Transmitter here is a Marconi 100 watt job, Antenna a single wire inverted "L" , 125 high using a 3 wire counterpoise.

Expect to do some DX work in January or February and will be glad to let you know.

Wishing you the very best in the coming year
I am yours truly,

Leon Baldwin
