Dear Little Friend:

Here's your little microphone making you a member of the Topsy Turvy Time Club.

Of course, everybody knows that the TTT on the button stands for Topsy Turvy Time—but you remember I told you it *the secret*—it means *Tell The Truth*. you must *always* tell the truth. And take it off and not wear it until you are all boys and girls will do this, what a

stands for something else. *And that's* Remember, when you wear this button if you do not tell the truth you must sure you can tell the truth. And if fine place this world will be.

Now—tear up this card and don't tell anybody about the secret.

Listen in daily except Wednesday and
Sunday afternoons at 5:15.

Russell Pratt,
The Topsy Turvy Time Man.
