TO RADIO Peter Clarius :

I have tried in this report to incorporate all the helpful and useful information I find possible to give. I hope you will find enough of interest herein to merit your taking the time, trouble and expense of sending me your QSL card. I assure you that none of the statements in this report have been distorted to induce your good graces, but form a true picture of your signal as received here.

Tone
Ur cw sigs copied R S T on 19 , at p.m. EST (GMT). As I was tuning the Meter band wid mi Pierson- De Lane PR-15 Superhet I chanced upon your sigs QSO wid U were not troubled wid QRM and QRN. Ur approximate QKC was k wid temp of abt es barometer Ur keying was es chirp and drift was noticed.

ADDITIONAL REMARKS: Here's my card in answer to your notice in October "Radex". May I have yours?
