

RADIO "FREE RUSSIA" IN THE FIELD

Boy, do I miss Yalta now!

With your donations RFR Antenna mast can grow taller and stronger.

Our RFR broadcasts
are so hot,
we need a fan
to cool ourselves off!

Can't let a loose connection work
for Mr. Khrushchev.

Boy, do I miss my wife's cooking back home.

RADIO „FREE RUSSIA“ IN THE FIELD

This is not a nomad or gypsy colony, this is Radio Free Russia in action

Ah! a ready made antenna pole.

It's not home sweet home but
the RFR broadcasts stay on the air.

He is in the anti-communist movement too
