"TELETYPE" YOUR OVERSEAS TELEGRAMS DIRECT TO RCA'S TRANSMITTING OFFICES*

Many RCA customers now "teletype" their messages direct to an RCA Overseas-Transmitting Office. Also, telegrams received from overseas can be "delivered" by TWX.

The time required for messenger pick-up or delivery . . . and processing by local office . . . is eliminated. Service is expedited.

If you do not have TWX facilities, messages may be filed and delivered by *telephone** with similar advantages. *Write for further information about these direct services.*

Send your messages to

ENGLAND

Direct via RCA

**over a modern, automatic
radiotelegraph circuit**

Direct to London . . . over a modern, automatic radiotelegraph circuit . . . that's the way your messages to England are transmitted via RCA.

Many firms also secure this direct, automatic RCA service on incoming messages by suggesting that their British correspondents route return messages "Via Imperial Wireless" and file them at the British Post Office.

RCA, through its U.S. and/or overseas offices, operates direct radiotelegraph circuits to 65 countries . . . and you know that direct circuits are the key to fast, accurate overseas telegraph service. Send your messages "Via RCA"; it costs no more!

Send your messages to

WEST EUROPE

Direct via RCA

Direct circuits are the key to fast, accurate overseas telegraph service. Through its U.S. and/or overseas offices, RCA operates direct, modern radiotelegraph circuits to 65 countries, including the following countries in West Europe:

<i>Austria</i>		<i>Italy</i>
<i>Belgium</i>		<i>Netherlands</i>
<i>Czechoslovakia</i>		<i>Norway</i>
<i>England</i>		<i>Portugal</i>
<i>France</i>		<i>Spain</i>
<i>Germany</i>		<i>Sweden</i>
<i>Iceland</i>		<i>Switzerland</i>
<i>Yugoslavia</i>		

RCA mechanized circuits to many of the important European trading centers speed your messages with a minimum of manual handling. Modern, automatic machines reduce the possibility of error — assure accurate transmission and reception. Remember, there is no extra charge for RCA service.

Send your messages to

EAST EUROPE

Direct via RCA

Direct circuits are the key to fast, accurate overseas telegraph service. Through its U.S. and/or overseas offices, RCA operates direct, modern radiotelegraph circuits to 65 countries, including these countries in East Europe:

<i>Czechoslovakia</i>		<i>Russia</i>
<i>Finland</i>		<i>Sweden</i>
<i>Greece</i>		<i>Turkey</i>
<i>Poland</i>		<i>Yugoslavia</i>

RCA radiograms to these countries — and to all the world — are inexpensive and assure you the best of international telegraph service.

For instance, a ten word RCA Radiogram (Full Rate) to Sweden costs only \$2.30 (plus federal tax).

This rate is the same for all U.S. communications carriers from all parts of the United States. It costs no more to send your messages direct Via RCA.
